“सात समुंदरनी श्याही कइं,
कलम कइं वनराई
शेष शारदा वीणा करे,
तव गुण वीणा न जाई.”

Supreme Bhagwaan Shri Swaminarayan had an open choice to opt for a place to tread His Divine feet on the Universe But His selection narrowed upon a little known village of Chhapia in Uttar Pradesh.

He spent some eleven years of his childhood in this Divine place with lots of childhood miracles He performed.

The first Acharyamahrajshri Ayodhyaprasadji Maharaj who was installed by Bhagwan Shri Swaminarayan Himself on Shri Narnarayan Dev Gadi travelled on foot from Ahmedabad to Chhapia and constructed Swaminarayan Temple in Chhapia (1907 AD)

Since then Chhapia has been the most holy and most visited pilgrimage not only for Swaminarayan devotees but for Hindus at large from all over the World.

Need of the hour to plan for adequate accommodations and facilities for pilgrims, swamis, sankhyogi ladies, was prophesied by the present Acharya mahrajshri Koshalendraprasadji Maharaj Acharyamahrajshri of Shri Narnarayan Dev Gadi and the seventh direct decedent of Bhagwan Shri Swaminarayan in consultation with leading Swamis and professional experts drew a master plan for a total facelift. Donations are pouring in from all the devotees around the Globe

Would you not love to be a part of this Divine plan by contributing to this most Holy cause.

Your contributions shall be registered for ever in the Divine Books of Supreme Bhagwan Shri Swaminarayan Here follows all the options for you

Your contributions and donations shall be a great boost for us

Thanks
