SHREE SWAMINARAYAN

# શ્રી સ્વામિનારાયણ

After the end of many lives, we have obtained this precious human birth and Shree Hari has granted us birth in such a divine Satsang.

It would be Punya of our so many previous births that we have received our Sarvopari Bhagwan Shree Hari. If we have really recognized Shree Hari, then we shall scrupulously follow each and every direction of Shree Hari then only our life would be improved and Sarvopari Shree Swaminarayan Bhagwan would come to take us at the last moment of our life and we would be free from this cycle of birth and death.

Beautiful winter season has started. From 16th December, pious Dhanur Maas would begin and Kamurta would start for the people of this world and it is a month for special Bhajan-Smaran for the devotees of Bhagwan. In the early morning, Mahamantra Dhoon of Sarvopari Shree Swaminarayan Bhagwan, Bhajan, Kirtan, Smaran, Katha-Varta etc. would be performed in our Shree Swaminarayan temple, Kalupur.

Such a divine occasion comes only once in a year so let us take its divine benefit and make our life full of Bhakti of Bhagwan and ensure our Moksha and Kalyan as there only lies the real meaning of human birth.

## NAGARVEL

- Sadhu Purushottamprakashdas  
(Jetalpurdham)

पुरीफलं महद्विव्यं नागरवलीदलौर्युतम् ।  
एलादिचुर्णं संयुक्तं तांबुलं प्रतिगृह्यताम् ॥

Amidst the chanting of this Shloka we see Bhudevs offering Mukhvaas keeping Nagarvel (beetle leaf) in Panchopchar or Shodasopchar Pooja ritual at the end of Naivedya to the deities. Despite more than eighteen crore of vegetation available upon this earth, this Beetle leaf has obtained an important place as Mukhvaas in Dev-pooja and its detailed Katha has been narrated in Skanda Purana by Ved Vyas Shree Krishnadwaipayan Bhagwan.

One Katha of Samudra-Manthan has been narrated in Shrimad Bhagwat Mahapurana wherein Devtas (deities) and Daanavs (demons) toiled hard and together and with the blessings of Bhagwan Kutchhavat Narayan, they obtained fourteen Ratnas. Dhanvantari Bhagwan came carrying Amrut-Kalash. A dispute emerged between the both the sides with regard to equal distribution of Amrut and ultimately none of the parties could avail its benefit. As there was much

delay in resolving the issue, a vegetation grew inside Kalash and started growing very fast upon Stambh of Aairavat Hathi (Elephant); it had its fragrant leaves and its fragrance attracted the deities towards it. Shree Dhanvantari Bhagwan – Adhistata of Amrut Kumbh became very much pleased. In Sanskrit language Gajraj (elephant) looked at from the pillar is called 'Naag', the vegetation was named Nagpatti-Naagvalli-Naagvel, and Kaamdev was allotted residence in it.

Once Dhanvantari Narayan Bhagwan mixed other fragrant things in the leaf of Naagvali and offered it to the king Indradev of Swarg. Indra became very much pleased and granted permission to Dhanvantari to sow this vegetation upon the earth and also granted the blessings that, whosoever would perform Dev-Pooja using the leaves of this Nagarvel – all his wishes and desires would be fulfilled.

Nagarvel vegetation was first sowed in the garden of Kumarika Kshetra situated in the South India. The beautiful fragrance, delicious taste and residence of Kaamdev in it made all the kings and emperors of the earth crazy about this vegetation. Initially it was used for cleaning of mouth after the meals but now its usage has been increased considerably and people are found chewing leaves of Nagarvel the whole day. In the treaty of friendship, Shrifal and Nagarvel leaf were used and exchanged.

After some time, some other types of drugs were started to be used and offered with Nagarvel elaf and even the learned persons used to consume such things and resultantly Pooja-Hom-Havan-Pooja-Path of deities were stopped for some time upon the earth. And the deities became

powerless and feeble. People became very lazy and were seeking after only entertainment and merriment. Kaamdev residing in Nagarvel established His the Rule. Looking at the plight of all the deities, Indradev went to Brahmaji and requested to bless them to get back their divine powers, as Path-Hom-Havan have been stopped upon the earth.

Brahmaji came to Pushkar Kshetra and searched for the solution to this problem. Meanwhile a wretched and unhappy woman came to Brahmaji and started crying. When Brahmaji asked she replied that, "I am Daridrata. I am very much tired of observing fasting while residing at the houses of the Brahmins." and she asked for the permission to allow her to reside at the house of the rich. In order to punish the crazy and lazy people who had abandoned their daily Pooja-Path, Hom-Havan, Brahmaji granted permission to 'Daridrata' to reside in tobacco with her family. That means whosoever would eat Nagarvel leaf alongwith tobacco, 'Daridrata' (symbolic meaning poverty) would reside there with her family.

With the permission of Brahmaji, 'Daridrata' made the rich and even the great kings unhappy and poor in a very short span of time. The people who lost their wealth, name and fame identified their mistakes gradually and they sought the shelter of Rishi-Munis. These Rishi-Munis redirected them towards their original and ancestral path of Pooja-Path, Hom-Havan and Satkarma and after some time these people regained their lost wealth and name and fame.

Brahmaji gave leaf of Nagarvel a place in poojan of the deity as Mukhvaas for cleaning of mouth. Whosoever eats betel leaf with tobacco, his wealth would

be destroyed and he would become poor and all his earning would go away from it getting offended from him.

This betel leaf is a divine vegetation which is used in all ominous rituals and it is offered to deity with other things and its Prasad is also distributed among the devotees. However, it has been prohibited to eat the betel leaf at night.

If one eats betel leaf mixed with tobacco, he would never be forgotten and Daridrata would reside in his house permanently. However, only betel leaf is considered pious but its usage mixed with tobacco makes it like poison. It has been stated in the scriptures to use Nagarvel Paan in Devpooja for inviting Deity, inviting the elements and for Aasan. In the house where Nagarvel Paan is kept, 'Daridrata' is removed from that house and wealth comes to that home though it is not in destiny.

## Appointment of Mahant Swami in Sarvopari Chhapaiyadham

It is for the information of the whole Satsang Samaj that, Sadguru Mahant Swami Devprasaddasji Guru Sadguru Swami Jagatprakashdasji (present Mahant of Ayodhya temple) has been appointed as Mahant Swami of Sarvoparidham Chhapaiya Shree Swaminarayan temple.

## Suggestion to Haribhaktas going to Darshan in our temples of out State

Devotees visiting on pilgrimage to our Shree Swaminarayan temples situated in other State should invariably inform the concerned temple in advance about the number of persons visiting the temple and whether they are going to stay and/or take meals in the temple. Because visiting the temples without prior intimation would create difficulties to the devotees who are associated with the management of such temples and this should very well be understood by the devotees visiting there. So it is an instruction that the devotees visiting our temples should intimate in advance through telephone alongwith their identify proof.

Whosoever Yoghhrasta Mumukshus happened to see, meet and be in company of Bhagwan Shree Swaminarayan, all have realized and have cherished firm faith in their hearts that Sarvavatari Bhagwan Shree Hari Sahaja and Swami is Purushottamnarayan only. And great Paramhamsas were always trying under the directions of Shreeji Maharaj that such a realization and experience should be with all and therefore they were also performing singing of Gun, Aishwarya and Leela Charitra of Shree Hari which can be found abundantly in the form of Kirtans, Kavita, Shlokas and beautiful stories. The saints who were learned in Sanskrit language used to create Ashtak in Sanskrit language so beautifully that, whoever would perform its singing, they would get its immense divine benefits. One such divine Ashtak is created by Varniraj Shree Nishkamanandji which describes swaroop of Bhagwan Shree Swaminarayan. Let us try to understand its meaning.

# BLESSINGS OF H.H. SHRI ACHARYA MAHARAJ

- Compiled by Gordhanbhai V. Sitapara (Hirawadi – Bapunagar)

**On the occasion of Survan Jayanti Mahotsavof Baal Dhoon Mandal and Panchdasabdi Mahotsav of Jaipur temple : 01/09/2019 :** Recently, Swamiji told about Siddhant. This was narrated earlier by me at the time of Patotsav in Bhuj. At that time, devotees from Metpur had come to perform divine Darshan. I recall the same thing. Money or any material thing should not be offered if the occasion is not meant for Dev. This is a matter of Siddhant. Document should have been executed in favour of Dev because Maharaj has stated that, everything should be done in writing. However close the relations may be and how close the relatives may be, if it is not executing in writing, there would be a dispute in future and we have been witnessing that, most of the quarrels and disputes in this world are happening simply because people do not follow these directions of Maharaj. So Siddhanta should be preserved. It is true that you have been offering money or anything under the directions and with the inspiration of the saints but even the services of mind and body are not small services. The greatest services of offering our valuable time. Today nobody has time for others, not even for their own family members such as parents and children. Here all of you have been offering your valuable time for the temple, for Dev, for saints and devotees and therefore all of you deserve all praise.

We were talking about Siddhant. For many years, administration has been done and responsibilities have been shouldered. These devotees sitting here and who have once accompanied even in the flight know it very well that appointment is noted in my diary for

Pratistha in the temple only after all the formalities of papers and documentation are over and construction has been completed in toto. Once it is noted in my diary, I visit the temple invariably under any circumstances. But I have insisted for only one thing, it should be for Dev and this is most important. All of you have preserved this Siddhant and it should be preserved in future also. I have to say this. Why? Because we might forget it when we go out of this place. And therefore Maharaj has directed us to perform Nitya-Path of 'Shiksha Patri'. Somebody may think, why to read the same 212 shlokas again and again! **But Maharaj has insisted that, due to Nitya-Path would, its thinking would continue in our mind incessantly and we would not forget the directions or Siddhant.**

All of you have come here from Metpur for the purpose of business and now you have settled here and made much progress. Maharaj has created two Desh for administrative convenience – essentially there is no any difference between the two. You may or may not be knowing but you would be surprised to know that, 90% administrators as President and Committee Members in our temples starting from New Zealand and Australia to North-West Canada and America are of Vadtal Desh and till today we do not know anything about it. Because there is no difference in our mind. Why? Whosoever are there, they all are for Dev. When they are of Dev, there cannot be any difference. Lines of difference have been drawn by our mind only. Maharaj has not created any difference. I have not heard in any Katha that Maharaj has given more weight-age (in percentage) to one temple than other temple or that Maharaj would reside more in

idol image than in other nor I have read any such thing in any of our scriptures like 'Shiksha Patri', 'Vachanamrit', 'Satsangi Jeevan' or 'Satsangibhushan'. These are all differences created by us and not by Maharaj.

The point is that, there is no any difference in the administration of any temple situated in any corner of any country of the world, if that temple is of Dev. And I want to see that only. We talk about going to Akshardham after our this life. Has there been any difference there? No. Then why to create any difference here? I do not understand this. The differences are there in our mind. Our temperament has created such divisions. Otherwise, one who differentiates cannot be Bhagwan because Bhagwan unites all and this is a universal truth. So one should not see or perceive any difference in Swaroop of Bhagwan.

Maharaj has stated in the pious 'Shiksha Patri'

दृष्ट्वा शिवालयादीनि देवागाराणि वर्त्मनि ।

प्रणम्य तानि तदेवदर्शनं कार्यमादरात् ॥

While going or passing by any road, if we come across any temple of deity or of Lord Shiva, with utmost respect we should perform Namaskar to such deity or Lord Shiva. This is the directions of our Bhagwan. If somebody has any objection against performing such Namaskar then it is his personal belief. There should be poojan and Namaskar to the incarnations of Bhagwan and Sattvik Dev or Devi; this is our Dharma and there is happiness in adhering to this Siddhant.

It is good that, all of you have come and settled here. We have purchased a place here. Naranswaroop Swami has been entrusted with its responsibility and all of you have to extend your support in it. Bhagwan has given you everything and you have to use it for the noble work of Bhagwan. I do not say that, you give beyond your capacity and by incurring any debt. These are the directions contained in our scriptures. I do

not tell this to those who have come from outside. I am telling this to those local people who are residing here. I do not direct, I simply recommend. It is yours and you have to use it. It is of Dev and for Dev. Naran Swami was in tension, but not he is relaxed. When Bhagwan is with us, why to worry about anything? What cannot be done when there is strength and faith in Bhagwan?

It is fine that, it has been 50 years of Metpur Baldhoon Mandal. But we have to see another 50 years. We do not have to go anywhere else leaving our Bhagwan. In order that, noble Samskaras are inculcated in future generations, we have to provide them atmosphere to make them feel that, Bhagwan is in our home and in our heart. If the atmosphere of home is pure, pious, spiritual and Sattvik, it will have its positive impact upon the minds of the children. The preaching would not work much. It would not work if we would be believing that we have been great learned persons or great devotees. If we would provide facilities and if we would remain adjustable, our work would be done with success. Ram Swami may be knowing this talk which has been told by me at many places. A Katha was going on inside one temple. When I came out of the temple, children of the age group of 7-8 years were playing. I asked them what should you do to come inside the temple? I have to ask this question to the children. We have to walk reverse. Your Satsang is very old. I have been to many houses in Metpur and so I do not have to tell much but keep such an atmosphere that, there may be another Utsav after another 50 years and H.H. Shri Lalji Maharaj would come if I cannot come. About 400 temples have been made wherein the documents have been executed in favour of Dev and if this is not done everything is over. With these words, H.H. Shri Acharya Maharaj blessed all the devotees and Haribhaktas.

SHREE  
SWAMINARAYAN  
MUSEUM

Predictions are murmuring in the talks and conversations of the people that, like heat and rain, there would be extreme cold climate in this year and people would purchase the latest equipments like heater to deal with the extreme cold climate. But during the times of Shreeji Maharaj about two hundred and twenty five years ago, there was no other option but to tolerate such extreme cold caused due to climate change. Leave aside the electric equipments, there was not any electricity even.

In order to make the devotees happy, Shreeji Maharaj used to perform Vicharan in the countries and while granting happiness of divine Darshan to the devotees, Shreeji Maharaj used to keep clay-made hot-plate for protection against the cold and used to wear 'Banat' cap of red and sky colour cotton cloth woven with golden strings. Sadguru Premanand Swami has referred to in his 'Podhaniya'. This cap of Prasadi has been kept in Hall No.6 of our Shree Swaminarayan Museum for divine Darshan by all the devotees.

**THREE FRIENDS****- Shastri Haripriyadas (Gandhinagar)**

Many times if work is going on 100% due to our beliefs or assumptions then it cannot be believed that it is completed true. Many times we come across such incidents or circumstances wherein our beliefs or assumptions prove wrong. At such moments we repent a lot. In order to understand this properly, this small narration would help us.

One person had his three friends. However, he had utmost respect for the two out of these three friends. He used to cherish utmost love and affection towards these two friends and he also cherished the feeling and belief that, these two were his fast friends and that they would be helpful during his hard or difficult times. However, he was less attentive about his third friend. Though he had not spoilt his relations with his third friend but he was not much careful in his relations with his this third friend. He would converse with him formally on some occasions. Now came a trying situation in his life and he saw no solution to it. And he was assured that, now he would be taken to the court and then he would be punished.

During his difficult time, he thought of taking help of his friends. First of all, he approached his first friend which was his best friend. He went to his friend and requested him to accompany him to the

Court which would save him from the punishment. But the first friend bluntly refused to accompany him and just told him to suffer for his action. This person became very unhappy. With a pain in his heart and without much discussion with his friend, he went to his second friend for help as he was left with very less much time expecting that his second friend would help him.

When he asked for the help of the second friend, but to his surprise his second friend simply told him that, at the most he can accompany him upto the gate of the Court room and beyond that he cannot help him as it was impossible for him to come inside the Court room. The person was unhappy and dejected to get such an unfriendly response even from his second friend. Now he got reminded of his third friend, though he was not much sure of getting any help from it.

Cherishing such thoughts in his mind, he went to his third friend and narrated his difficulties. The third friend gave him assurance of helping him whatever he can do, as it was his duty as friend to help his friend. Both the friends went to the Court. Not only the third friend simply went to the Court, he argued strongly in favour of his friend for his defence in front of the Court and played a crucial role in proving his friend innocent. Due to the help of his third friend, the person was saved. Now the person repented a lot thinking that, whom he considered his best friends were not helpful to him at all during his difficult times and that the third friend whom he did not pay much attention proved to be his real friend and helped him during his difficult times.

So friends! It is absolutely necessary to understand its spiritual message behind this narration. There are three friends of a human being. 1. Wealth 2. Relatives and 3.

Sat-Karmas. Throughout his life, a person takes care of his first two friends and he takes utmost care of the two and he neglects his third friend. However, during the difficult times, the first friend leaves his company. With the death of a person, wealth his first friend immediately abandons him. His relatives who is the second friend, accompany the dead body till crematorium only and then they also abandon him permanently. Only the third friend – his Satkarms- accompany him beyond his death. In the Court of Ishwar or Bhagwan, this third friend defends the person with strong arguments and makes sincere efforts to prove him innocent.

But unfortunately a person does not pay much attention to Bhajan-Kirtan, Katha-Varta, Sewa-Dhyan as much as he pays attention to earning wealth and maintaining his worldly relations. Friends! With the blessings of Shree Swaminarayan Bhagwan all of us have received human birth and we have also got Satsang in our life and this is such a time to have pious company of Bhajan-Kirtan, Katha-Varta, Sewa-Satsang so naturally. So let us obtain the pleasure of our Bhagwan through such Satkarmas as it would ensure our Moksha and Kalyan so easy and natural.

## PRATAP OF BHAJAN

- Narayan V. Jani (Gandhinagar)

There is immense importance of name of Bhagwan. A person who continues Naam-Smaran continuously, his mind becomes pure. The inner enemies like Kaam, Krodh, Lobh and all other Vikaras are destroyed through Akhand Naam Smaran of Bhagwan. There is such a divine power even in the name of Bhagwan that it is capable of destroying deeply rooted Vishay-Vasana. Naam-Smaran simply burns all sins and makes our inner self pure

and serene. This incident inspires us towards importance of Naam Smaran.

This is an incident of the times of the kings and emperors. A king, his queen and their children were residing in a huge and spacious palace. There were so many attendants to attend them and soldiers to protect them. All these persons were performing their duties as entrusted to them.

One such family was engaged in such service. A man was performing his duties as a soldier. His wife was attending the queen. It was the time, when the queen and the princess were kept in the covered place so that nobody can see them and their protocol was very strict. Once due to some reason, this soldier went to the palace and he happened to see the beautiful princess of the king. The soldier got attracted towards the princess and started cherishing the idea of marrying with this princess. He was so much overwhelmed with this idea that he did not like to eat anything, he was not attentive towards his duty also. As he knew that, there was no possibility of his getting married with the princess, he became more and more unhappy.

The wife of this soldier was a pious and righteous woman. She perceived the unhappy face of her husband so when she asked for the reason of his unhappiness, the soldier told her that, he has fallen prey to such an incurable disease that he cannot be cured of and that one day he would die.

The situation worsened gradually as the soldier could not sleep peacefully nor could he eat at ease. His wife thinks that, nothing is impossible in this world then what is the reason for the unhappiness of her husband and what is the disease that perturbs her husband like anything?

With further inquiry her husband told

her that, without his getting married with the princess, he cannot be cured of the decease and that now he cannot live without the princess. Listening to this, even the wife saw some truth in it and she also started remaining unhappy due to worry of her husband.

Now the queen was surprised at the unhappiness of her attendant. When asked by the queen, the attendant-wife was hesitant initially but later on narrated everything and the reason of unhappiness and disease of her husband.

The queen was very learned and so thought about devising a solution so that the unhappiness of the family of her attendant can be removed. She called the attendant and told her that she is ready to marry her princess with her husband but upon fulfilment of one condition. Her husband has to remain outside the village in the robe of a Tapasvi, he has to eat whatever is sent to him and to perform Smaran of Bhagwan while keeping his eyes closed; not to commit any kind of sin. If this much is observed scrupulously, her princess would be got married with him after six months.

The attendant-wife came home and narrated this to her husband-soldier. The husband-soldier had become so blind after the beauty of the princess that he showed his willingness to do everything, if he gets the princess after six months. By closing his eyes he started performing Naam-Smaran at the outskirts of the village wearing a robe of Tapasvi. He also accepted the simple and sattvik meals being sent to him by the queen. The time passed and due to divine power of Naam Smaran, he was feeling inner peace. With more and more Naam-smaran, he started getting divine Darshan of Naam-smaran and he started relishing spiritual pleasure and happiness and gradually it became his

addiction to perform Naam-smaran.

As per the condition, six months passed and the queen brought her princess at the place where this soldier-husband was residing and was performing Naam-Smaran. The queen offered her princess to the soldier-husband in fulfilment of her promise. But during all this time, the soldier-husband had been purified from within and told the queen while keeping his eyes closed that now he did not wish for anything and that he has been relishing spiritual pleasure and that now her princess is like his daughter and so he wished that the princess should be got married with any price suitable to her. He also begged pardon for his blunder and thanked the queen for showing him the right and righteous path.

Friends! You saw that, this soldier-husband, who had once been blind after beauty, started performing Naam-Smaran of Bhagwan and the positive transformation happened in him; all his evil desires were removed and he became pure from within and he became a divine Atma.

Our Ishtadev Shree Hari has showed the same path in 4<sup>th</sup> and 5<sup>th</sup> Vachanamrit of Sarangpur Prakaran to get rid of Vaasana.

● ભગવાનનો ભક્ત હોય તેને વાસનાનું બળ દેખીને હિંમત હારવી નહી ને આનંદમાં ભગવાનનું ભજન કર્યા કરવું અને વાસના ટાણાના ઉપાયમાં રહેવું. અને ભગવાનને ભગવાનના સંતમાં દદ વિશ્વાસ રાખવો..... (સાં.-૪)

● માણાત્મ્યે સહિત ભક્તિ હોય તો તેની વાસના પણ નિવૃત થઈ જાય અને કલ્યાણકારી ગુણ તે સર્વે આવીને હદ્યને વિષે નિવાસ કરીને રહે. તે માટે માણાત્મ્યે સહિત ભગવાનની ભક્તિ એ જ વાસના ટાણાનું મહામોટું સાધન છે..... (સાં.-૫)

If we ever cherish these Vachanamrit, there would be divine pleasure and divine happiness of Bhagwan in our life.

# ॥ सत्सुधा ॥

**From the blessings of H.H. Shri Gadiwala on the occasion of Sabha of Ekadashi (Kalupur temple, Haveli) :** “If you adhere to Satsang, everything else will be achieved in life”: Everybody got the benefit of divine Katha full of Charitra of Maharaj for five days. Isn’t it? Can Maharaj enter in our life simply by listening to Katha? No. We have to become like Maharaj. We have received this Satsang, Shree Narnarayandev, scriptures all like Kalp-Vriksha; and by remaining under its spiritual shadow, all our wishes are fulfilled. People of this world may have the same goal; but their ways may be different. Just like, we all had to reach to this ‘Harshad temple’. The goal was the same but our roads were different. Different roads reach at the same place and by the time we come closer to the temple premises, even the road becomes one and same for all of us though our starting point may have been different from that of all others. Similarly, goal of all of us in our lives is one and the same – ‘**Bhagwat-prapti**’. But roads of each and every person are different for the same. Someone may like Katha-Varta, someone may like to do cleaning of temple and its premises, someone may like to render services of different type. Once you come here in Satsang, you will get all types of means to achieve this **Bhagwat-prapti**, of your choice and liking both. That means if you adhere to the Path of Satsang you will get everything in life you want. Even by performing divine Darshan of Shree Narnarayandev, all the works of our life are accomplished. But then how to perform Darshan? There should not be anything between our eyes and Shree Narnarayandev. Many times, it so happens that, our eyes go down or even head is bowed down not out of reverence (as it is

proper) but due to our past deeds get reminded to us and we feel ashamed. We realize our mistake and we accept our mistake. This is a good thing as it is a signal given by Maharaj. **We can improve our mistakes only if we accept it. So we have to accept our mistakes and just to think that, when we have got an opportunity to improve upon our mistakes, we should become so pious that, next time our eyes and head are not bowed down with shame in front of our Bhagwan.** There are many people who do not repent even if they may have committed offences or sins in their lives. That means that they do not receive any signal from Bhagwan for their improvement. Why? Because even Bhagwan knows that, there is not going to be any improvement in this person. If there is any Dosha in any person, it can be cured but if that Dosha has become his nature and habit then it is not changed so easily and so quickly. And our Karma keeps on going continuously through our thinking and our temperament because ‘Kamana’ keeps on emerging in us constantly and our mind also remains busy in fulfilling such Kamanas. And accordingly we get result of our Karmas and we also have to suffer its consequences. **This process is going on since many of our previous lives and our Karma becomes our Prarabdha.** But there are certain Prarabdha which are so intense that, they cannot be avoided through Purusharth. However, there is one solution here also. Just as one makes a mercy application to the Hon’ble President of India to forgive him and to exonerate him against the order of the punishment of even the Hon’ble Supreme Court of India; similarly, we can get rid of such supreme punishment with the blessings of

Bhagwan. But for that, we have to remain under the directions of Bhagwan. Those who seek shelter of Bhagwan, they are saved. So if we adhere to Satsang, we shall be protected very easily. So we have to remain always awakened and to perform our Bhakti intensely and consciously. It is an humble prayer at lotus-like feet of Shree Narayandev that, He may grant us powers so that we do such actions which may help in nourishment and development of our Satsang.

**PANCH VISHAY**  
**- Sankhya Yogi Kokilaba**  
**(Surendranagar)**

By cherishing Panch Vishay concerning Bhagwan, there comes divine light in our heart. But if we cherish Panch Vishay concerning this world, there would be darkness only. These Panch Vishay enter in our heart as a small wave and if given an opportunity they grow like an Atlantic ocean within us. What is the reason that this Jeev does not experience of divine happiness of Bhagwan? The reason is Vishay are there in him. They do not allow him to remain pure and stable towards his Bhakti of Bhagwan. When these Vishay turn out to be like poison for him, he can perform Bhakti of Bhagwan in real sense.

After a round of eighty four lacs births and deaths, we have got this human life and yet this human being does not stop due to his old habits. He wants to perform Satsang, wants to perform Bhakti of Bhagwan. But these Panch Vishay prove obstacles in his way. Then how to get rid of these Panch Vishay; it is possible through Samagam of real saint who helps in differentiating between what is right and wrong.

A rat would run away if it would see a snake; because it knows the outcome that the presence of the snake is its death. We know that, these Panch Vishays are like this snake and this snake in the form of Maya devours us when we remain under the

illusion that, we have been enjoying the pleasures of this Maya. Premanand Swami has written in one of his Kirtans :

“સો હરિભક્તને રે, રહેણું હોય મારી પાસ, તો તમે મેળજો રે, મિથ્યા પંચવિષયની આશ.”

So we should always remain very close to our Bhagwan and for that we have to win over these Panch Vishay. Just as the water of a lake or pond drags with itself the roots of a tree standing at its bank, these Panch Vishay drags away all our noble qualities.

Sometimes we can experience that, the cattle return home in the evening after roaming here and there for the whole day. But then they are habituated to roam here and there. We may also have felt the same situation. We have recognized this Satsang, we have received Dharmvanshi Acharya Maharaj in our life and also the saints and we perform Bhajan and Bhakti also. But due to bad company of our previous lives, we still roam here and there and so while performing Bhajan and Bhakti and Satsang, we can't get rid of such our past habits. We cannot prevent ourselves from indulging in gossiping and spreading rumours. We cannot stop ourselves from watching television and cinemas. We cannot stop ourselves from entering into the politics for power.

Shreeji Maharaj has sowed beautiful flowers in the form of temples of Bhagwan and there is also food of spirituality available there. It is the real food for those who are hungry for spirituality. But one cannot relish it due to his pre-occupation with Panch Vishay.

This Panch Vishay has spoilt so many previous lives and have not allowed us to reach safely to the Abode of our Bhagwan. There is no satisfaction to any Jeev. Despite having all wealth and name and fame, a Jeev keeps on running after so many things which are not with him though they may not be his genuine requirements either. He does not feel bad if he cannot

come to temple due to his business in pursuing these Panch Vishay.

Shabda, Sparsh, Roop, Ras and Gandh are these Panch Vishay from which emerge the inner enemies like Kaam, Krodh, Lobh, Matsar, Maan and Sneh. These perversion is very rigid and cannot be got rid of so easily. This body proves to be an obstacle in becoming Brahmarupa. A soul which cherishes pride for the self is due to Panch Vishay only. However, those who have got Satsang in their lives can get rid of these Panch Vishay and when one remains constantly busy and engaged in performing divine Satsang of Bhagwan, these Panch Vishay cannot enter into them. And with the blessings of Satpurush only one can get rid of these Panch Vishay. So by performing Katha-Varta-Dhyan and Bhajan of Bhagwan one need not make any special efforts and these Panch Vishay would be overcome automatically.

## MOKSHDATA

### - Thakkar Vinaben Narendrabhai (Bopal)

All people of this world do a number of things to obtain Moksha and Mukti. Sukdevji narrates Krishna Katha of twelve Skanda of Bhagwat to the king Parikshit for his Moksha. In the eight Skanda, story of Gajendra Moksha comes.

Mokshdata Bhagwan Shree Swaminarayan has stated in Shlok-121 of 'Shiksha Patri'... **"I believe Mukti (salvation) as being able to Serve Lord Krishna as Brahmanrupa, in Goloka Dhaam."**

Dhyan is the means to Moksha in Sat Yug, Yagna in Treta Yug, Sewa in Dwapar Yug and Naam Smaran in Kali Yug. Any Mumukshu when performs Darshan of Bhagwan with utmost affection and performs Prarthna, Katha-Kirtan, Bhajan-Bhakti, Sewa-Satsang and offers everything to Thakorji, he gets Moksha very easily.

Shreeji Maharaj celebrated Shakotsav in village Loya. Saints and Haribhaktas had arrived from various villages. Some devotees were performing pooja, others would offer clothes and ornaments, some others would offer Thaal full of money viz. currency notes and would obtain pleasure of Shreeji Maharaj. Meanwhile a poor Brahmin came there. He also wanted to obtain pleasure of Shreeji Maharaj. He took out one rupee coin from his torn turban and offered it to Shreeji Maharaj. Shreeji Maharaj asked the poor Brahmin to purchase a new turban out of this one rupee in stead of offering it. But the poor Brahmin told Maharaj that, this was his much awaited time and his much cherished desire to offer this one rupee to Maharaj and now his wish has been fulfilled. So it would do with this torn turban. Shreeji Maharaj said, "Bhudev. You have surrendered everything." And said, "Muktanand Swami! Nothing is left for Moksha of this Bhudev, as he has offered everything he had."

By cherishing the wish of offering a rupee, the poor Brahmin ensured his Moksha. Thus, there is no end to the mercy of Maharaj. As the way of Moksha has been made very easy.

**"જે જોઈએ તે આવો મોક્ષ માગવા તે લોલ.**

**આજ ધર્મવંશીને કર .....**"

In 45<sup>th</sup> Vachanamrit of Gadhda Middle Chapter that those who perform such actions which make Bhagwan and Bhaktas of Bhagwan happy, they enjoy divine happiness and pleasures. Even their bad luck leading them towards the hell, is changed and all their Kukarmas are destroyed. So those who are prudent, should behave in such a way as may obtain pleasure of Bhagwan and Bhakta both.

So if our feelings are pure, our Bhagwan would certainly be happy and 'Moksh' which is the first and chief aim of life would be fulfilled.
