# **KASTBHANJANDEV KANKARIA**

- Sadhu Purushottamdas (Jetalpurdham)

Sarvavatari Shree Swaminarayan Bhagwan got constructed first ever temple of Sampradaya in Ahmedabad and embraced and invoked Yugal Swaroop of Shree Narnarayandev in the temple and performed ritual of Pran Pratisha. On this pious day, Shree Hari called leading Brahmins of Choryasi castes of Shreenagar (Ahmedabad), "Hey Bhudev! It is our wish and desire to offer meals to all the brahmins residing in Shreenagar. So all of you are cordially invited on the pious day of Fagan Sud-5." Brahmins told Maharaj that there are choryasi castes of brahmins in the city of Ahmedabad and it is not possible to offer meals to all of them in one single day and in such a short time as it would take much time in making preparations for it. Shreeji Maharaj told them simply to give their consent and approval for the invitation, the rest of the things like preparation shall be taken care of. Brahmins agreed to the invitation for the meals, returned to their place and informed the people of their caste about the invitation. All brahmins were very much happy and conveyed the invitation to all brahmins while going door-to-door of each of them.

Shree Hari called Anandanand

Swami and leading devotees like Laldas Gora Bechardas, Hirachand Choksi, Mulji, Ladhaji, Nathu Bhatt and got bargained the prices of all the grains and grocery items such as wheat, rice, ghee etc. and all such things were ordered and brought to the temple immediately. Gangama, Revabai etc. ladies devotees cleaned the grains and prepared the flour. On the same day Mahanubhavanand Swami gave directions to prepare huge Mandap on the bank of Kankaria lake and all things were brought there. At that time considering the population of thirty five thousand Brahmins and the number of saints and Haribhaktas, huge pilings of flour, jaggery, pulses, rice, spices and vegetables were made.

On the pious day of Fagan Sud-4 cooks of Brahmsamaji prepared the kitchen premises for each of their sub-caste and they were provided the utensils as per the population of their sub-caste. Looking at the piled up grains and pulses and Ghee, sugar and jaggery these brahmins started talking about the miraculous powers of Shree Swaminarayan Bhagwan. Sadguru Anandanand Swami was practical in his dealings. First of all the brahmin cooks were offered meals and thereafter preparing of the meals was started. Shree Hari appointed Sadguru

## SHREE SWAMINARAYAN

Nishkulanand Swami as the chief of the kitchens of brahmins and was entrusted with the responsibility of distribution and allotment of raw material. Various types of food items were started to be prepared. Temporary residences of the devotees and haribhaktas was arranged under the shady trees. Residence of elder brother Rampratapbhai was kept in Nairutya (south-west) corner of Kankaria lake. At night Shree Hari came to accept the meals prepared by Suvasini Bhabhi and took rest at night there beside residence of Rampratapbhai.

The bank of Kankaria lake was now full of saints and haribhaktas from all four directions. Meals were being prepared for the Sangh of devotees who had come from abroad and other places. On the pious day of Fagan Sud-5 the meals were got ready in Pakshala of all castes and sub-castes. In the afternoon, all the ladies and gents people of various brahmin community came there to accept the meals. It was like Kumbh-mela organized at Kankaria lake. Shree Hari graced the occasion and performed divine Darshan of Brahm-Bhojan being accepted. Shree Hari performed Parikrama of all Bhudevs while riding Manki horse.

Thereafter, Shreeji Maharaj returned to the residence of elder brother Shree Rampratapji Maharaj. After taking their meals, brahmins came to Shree Hari and each of them was offered a fist full of silver mudra. A long queue with both its ends incomprehensible was seen there. All brahmins would return saying 'Swaminarayan Swaminarayan'. The utensil of silver Mudras was full even after as many as thirty five thousand brahmins were offered silver Mudras from it.

Thereafter haribhaktas of various Sanghs who had arrived from various distant places expressed their wish to perform pooja of Shree Hari. One by one, each Sangh came to perform poojan of Shree Hari and then returned to their place and village. While granting the benefit of services to Asta-siddhi Nav-nidhi, this grand samaiyo of Saher Choryasi was organized at Kankaria lake. All the businessmen from whom the grocery items were brought were made payments and even after such payment money was there sufficient enough. Thereafter Shree Hari went to Jetalpur and Raan of Ganesh Dholka and stayed and performed Chintan of Nij Swaroop for three days.

To the southern side of the bank of Kankaria lake was kept the residence of Rampratapbhai. From the place situated in front of it, Bhudevs were offered Dakshina and Shree Hari had spent the night at this place. With a view to preserve this pious sanctified place, H.H. Shri Acharya 1008 Shri Ayodhyaprasadji Maharaj got prepared Chhatri at this place of Prasadi. Ritual as per Vedic tradition was got performed from the Brahmins at this place and Hom-havan and poojan archan was performed for five days by the Brahmins and thereafter idol image of Kastbhanjandev was brought and invocation of the idol image was performed in Vedic tradition. During Vanvicharan Nilkanthvarni stayed for the first night under a banyan tree. However, many evil spirits -Bhuts, were residing in that banyan tree. At that time Shree Nilkanthvarni remembered Kuldev Shree Hanumanji and Shree Kastbhanjandev came there immediately.

At the time of performing ritual of Pran Pratistha, H.H. Shri Ayodhyaprasadji Maharaj ardently prayed to Shree Hanumanji to render services-assistance to Satsang and Satsangis while remaining in Balswaroop Kastbhanjandev. With the utterance of these words, saints and devotees present

their notice an unusual movement of the limbs and organs of the idol image of Shree Kastbhanjandev and accepted Naivadya offered as a part of Hom-havan-Poojan. On the pious day of Kartak Sud-05 Vikram Samvat 1892, Pran Pratistha was performed and grand Samaiyo was celebrated wherein thousands of devotees and Bhudevs were offered meals. Thousands of miracles can be written of Balswaroop Kastbhanjandev of Shree Swaminarayan temple, Kankaria Ram Baug Pagla temple. With Vachan of Aadi Acharaya Shri Ayodhyaprasadji Maharaj, this Kastbhanjandev has been protecting Satsang-Satsangis. If any person performs divine Darshan of the temple at least once in a year from Labh Pancham cherishing ardent faith in his heart, Kastbhanjandev destroys all his miseries, poverty, Shok etc. and grants him Shakti to perform Bhakti of Shree Hari. Shree Kastbhanjandev was invoked 14 years after invocation of Shree Narnarayandev.

Balswaroop Shree Hanumanji of Hanumangadi in Ayodhya is Kuldevta of Dharmkul.

### Introducing 'Shiksha Patri Bhashya' subject in the syllabus of Sanskrit college

While compiling all citations and authorities and references from as many as fifty scriptures from Puranas, Upanishad, Shruti-Smriti, Darshan Sadguru Satanand Swami had written 'Shiksha Patri Bhashya' based upon 212 Shloka pious Shiksha Patri written by Shree Swaminarayan Bhagwan Himself. Daily chanting and reading of this scripture is being made in house of every Haribhaktas in as many as 80 counties of the world and innumerable graduate students have obtained mastery in it and research is also going on at large scale on this subject.

It is to inform to all the Satsangis with great pleasure that with the directions of Shree Narnarayandev Pithadhipati H.H. Shri Acharya 1008 Shri Koshalendrappasadji Maharaj and with the efforts of mahant Shastri Swami Atmaprakashdasji and Mahant Shastri Swami Purushottamprakashdasji of Shree Swaminarayan Sanskrit Mahavidyalaya, Jetalpurdham, unanimous approval has been granted in Study Board – Sankay Boar and in Vidhya Parishad for studying Shiksha Patri Bhashya in original Sanskrit and for doing research in it by the graduate students of Purva Mimansa Vibhag and Dharmshastra Vibhag subjects of Shree Sampurnanand Vishwavidyala – Varanasi (Kashi) the biggest organization of the world for Sanskrit language.

- Atul Pothiwala (Ahmedabad)

Once Shreeji Maharaj was going to Machhiyav from Daduka. It was the afternoon of Chaitra Maas – a very hot summer afternoon. Maharaj was also accompanied by Kathi Darbar. Shreeji Maharaj became thirsty. While looking around a farmer was offering water to the plants in a farm at a distant place. Maharaj turned Manki Horse towards the farm and went to the farmer and asked for the water. The farmer was surprised to see Maharaj, he bowed down and showed two pots of water and ardently requested to take as much water from the pots as required. Maharaj drank the water. Kathi Darbar also quenched their thirst and all were satisfied and happy. It brought coolness in their body. Maharaj being very much pleased asked the farmer to ask for any boon. The ardent devotee farmer told Maharaj that he has been living his life peacefully by growing the grains in his field. If anything is to be given as boon, then he may be blessed so that he can get divine Darshan of idol image of Maharaj day and night. Maharaj blessed him and the farmer got divine Niravarana Drasti.

An uneducated farmer of a village. He had not studied the scriptures like Vachanamrit. But as he had ardent faith towards idol image of Shree Hari and so he demanded Chintamani in the form of Murti of Shree Hari!

Idol image of Shree Narnarayandev

which is at present in Ahmedabad Kalupur temple is the same idol image which was demanded by this farmer from Shree Hari! The meaning is that, there is no any difference between Murti of Shree Sahjanand Swami and Murti of Shree Narnarayan Prabhu.

Parv is Parv of Shree Hari only. Shree Hari Himself has been residing and is present in the form of Shree Narnarayan in Kalupur Shree Swaminarayan temple situated in Ahmedabad. At present Dhoon, Satsang Katha, Parayan etc. are being organized on the occasion of Parv Mahotsav to celebration of 200<sup>th</sup> Patotsav of Shree Narnarayan. Padyatras are being organized on every Sunday from our temples situated in various areas.

Recently in the Sabha Mandap of Prasadi of Shree Swaminarayan temple, Ahmedabad, 200 hour Akhand (non-stop) Dhoon of 'Shree Swaminarayan' Mahamantra was concluded. Ladies devotees and Haribhaktas coming from temples of different areas used to come and keep Mahamantra Ghosh alive every four hour amidst playing of various musical instruments such as Taal, Pakhraj, Dhol, Transa-Khanjari etc. this amidst playing of Raas and clapping filled the hearts of devotees with divinity.

Specialty of preparation of this Parv is that, various types of programmes for the young Haribhaktas and especially young ladies devotees have been organized by H.H. Shri Gadiwala such as various types of Panch Dinatmak Gyan Yagna Mahotsav wherein Sankhya Yogi ladies devotees have organized Katha of ladies devotees of the time of Shree Hari, Ladu Utsav, Hatdi Utsav etc.

One specialty of this Parv Mahotsav is that, the young generation of our Satsang has been actively participating in all such programmes with great

## SHREE SWAMINARAYAN

enthusiasm and have been associating themselves with every stage of preparation of such programmes considering them as their own Utsav.

Nothing is greater 'Bhaktiyog' than constantly remaining active for Satsang. If we look at the preparations of Parv, we certainly feel that our young generation has been enjoying Satsang of Shree Hari in real meaning. Specialty of various Parv activities is that through them the young

generation understands the importance of Shree Narnarayan Prabhu and with the constant pious company of saints and Sankhya Yogi ladies devotees, natural Prakriti Doshas are removed and uprooted so naturally and the greatest achievement is that we constantly realize that we have got divine Murti of Shree Hari.

So let us associate ourselves in this unique Bhaktiyoga of our this pious Parv Mahamahotsav.

### Special Satsang of Dhanur Maas

**From 16/12/2021 to 14/01/2022**

**DharnunMaas Dhoon Mahotsav in the pious company of Param Kripalu Shree Narnarayandev**

In the pious company of Bharatkhand Rajadhiraj Param Kripalu Shree Narnarayandev and with the directions of H.H. Shri Acharya Maharaj, H.H. Shri Mota Maharaj and H.H. Shri Lalji Maharaj and in the pious presence of the saints and in Haveli in the pious company of H.H. Shri Gadiwala and H.H. Shri Mota Gadiwala, Dhanur Maas Dhoon Mahotsav shall be celebrated. During the whole month even during the chilling cold, we have got an opportunity to perform Jaap of Mahamantra of our Ishtadev Shree Swaminarayan Bhagwan. This is the only opportunity wherein our time table is also maintained and name of Bhagwan is also chanted. Due to this, devotees wake up early in the morning and join this divine Dhoon. Isn't it! And we can also render our services as the host devotees of this divine occasion.

Due to the current Corona pandemic, mask must be worn and social distancing must be maintained as per the guidelines of the Government.

- Mahant Swami

#### **Parking arrangement in Jetalpurdham on the pious day of Purnima**

In order to cater to the need of parking of vehicles, huge Parking Zone with modern facilities for 300 vehicles has been developed 200 meters before the temple and this parking place is adjacent to the service road 200. So all Haribhaktas coming here for divine Darshan may park their vehicles in parking zone and then come to the temple for divine Darshan.

Great inconvenience and obstacle is created to Jetalpur village and traffic passing on this road resulting into incidents of scuffle at times and so the devotees are requested not to insist for parking their vehicles in the temple premises and anywhere on the road. Even at night time, arrangement of light and security has been made in the parking zone. This may kindly be taken note of by the whole Satsang Samaj.

(Mahant Swami, Shree Swaminarayan temple, Jetalpurdham)

# SUMMARY OF BLESSINGS OF THREE OTHER FORMS OF SHREE HARI

- Gordhanbhai V. Sitapara (Hirawadi, Bapunagar)

**On the occasion of 49<sup>th</sup> Prakayotsav of H.H. Shri Acharya Maharaj, Ahmedabad temple (15/10/2021) :**

**H.H. Shri Mota Maharaj:** This is an important day for me because on this day Shree Narnarayandev offered me the gift of this Acharya Maharaj. I remember that when Sabha was conducted in this Sabha Mandap on the occasion of our wedding ceremony, I was alone on this Gadi. At that time Vaishnavacharya Shree Vrajrayji Maharaj had stated in his speech delivered on that occasion that. I have also seen Yugal Swaroop sitting upon this Gadi. Thereafter with the birth of Acharya Maharaj after two years, this Vachan became true. While narrating an interesting incident about one astrologer proved wrong in his two prophecies, told that the greatest astrologer among all of us is Shree Narnarayandev.

While sitting on this Gadi of Ahmedabad Desh, Acharya Maharaj has been taking care of and looking after North Vibhag and I like it very much. All different temples, including Harimandirs, having their own separate individual trust are being brought under the auspices of Shree Narnarayandev and all these trusts are being merged into one trust. And this task is still going on. Secondly, he has brought great transparency in administration. Due to these two things treasure of Shree Narnarayandev has been enriched.

With the directions of H.H. Shri Mota Maharaj, making clarification about one historical matter regarding administration of Ahmedabad Desh, Mahant Shri P.P. Swami of Jetalpurdham told that when democracy was introduced in the country in the year 1947, administrative scheme was framed of our temple as per Desh Vibhag Lekh made by Shreeji Maharaj and at that time Acharya Maharaj was appointed as the supreme head of the administration. In the year 1962 A.D.

when Acharya Shree Devendraprasadji Maharaj was on this gadi, Charity Commissioner of the relevant time had asked for the donation for new Civil hospital. Due to refusal to give donations by the members of the Scheme Committee of that time, a suit was filed in the Civil Court by the Charity Commissioner for new scheme. Thereafter this case went to the High Court and it was pending before the Supreme Court for the last five years. Shreeji Maharaj Himself has always remained with Acharya Maharaj of this Desh and as an evidence thereof a bench of three judges of Supreme Court delivered a judgement on 20<sup>th</sup> August as per Lekh of our Desh Vibhag and retained all the powers of Acharya Maharaj as were there in Desh Vibhag Lekh. Not only this, there was also addition to it. Moreover, Desh Vibhag has been referred to in the judgement and it has been pointed out therein that administration should be run as per Desh Vibhag Lekh. Now in future nobody would ever dare to make any change even of an iota in this judgement.

While making further clarification in this regard H.H. Shri Mota Maharaj told that Suits were filed in the year 1962 for amendment of scheme in both Ahmedabad and Vadtal Desh. Judgement of Vadtal came quite early. Here till the time of Vasudevprasadji Maharaj, properties of Ahmedabad, Jetalpur, Dholka, Muli etc. Ahmedabad Desh was considered as private property of Acharya Maharaj. At that time grandfather offered all these properties to trust and so from owner Acharya Maharaj became trustee. Acharya offered everything to the organization and therefore, the organization does maintenance by offering house, car etc. to Acharya. Our judgement came after 60 years because there were no any evidence against Acharya in front of Court. But in the end, while continuing tradition of Ahmedabad Desh as per

## SHREE SWAMINARAYAN

judgement, Acharya shall remain as the President of the Scheme Committee and He shall also have powers forever to make appointments of Mahant of temples and making changes in it.

**H.H. Shri Lalji Maharaj :** At present Sabha, Dhoon etc. are going on in the villages as a part of celebration of Parv Mahotsav. But after Deepawali we have to insist upon organizing two programmes. One is farmer haribhaktas should start getting more agricultural yield and production in their fields by adopting organic mode and method of farming because farmers have become rich through this concept in the foreign countries. So by organizing Shibir (camps) we have to awaken people so that farmers become happy and all can get the benefit of their organic products. One farmer of Patan has been conferred national award for seven times for doing commendable work in this area. Through our efforts, such farmers would get a platform. Secondly, under the auspices of H.H. Shri Acharya Maharaj and H.H. Shri Raja, efforts would be undertaken so that women of the villages take interest in the occupation of handicraft and they become happy in their lives.

**H.H. Shri Acharya Maharaj :** Now word 'small haribhakta' cannot be used for anybody because once a person has arrived in the temple premises of Shree Narnarayandev, he has become big in its real meaning. Small are those, who have been wandering elsewhere. We have to remember the words of Nand Saints. We should take pride when we are sitting at lotus like feet of Maharaj. We are because there is Dev. Seat of this Acharya is a designation and not a person. It is pride of this seat. H.H. Shri Mota Maharaj talked about two persons on this Gadi. What's wrong if three persons sit on this seat. There is a pleasure of friendship among us. There is a pleasure of remaining among all of you and therefore right from the childhood I have been moving in the villages.

If there is any important and necessary thing in life it is not to allow decrease of prominence and priority of this Dev in our live.

Those who have known this Dev, they do not roam anywhere else. We would not get such Dev anywhere else. Maharaj Himself has embraced and invoked this Dev. While hailing Narnarayandev, we hail ourselves and all our works are accomplished.

You have come here and I know all of you. All of you belong to this home and you are permanent. But this is not enough. It is futile without enrichment of this devotion. Real Grihasthi is one, who creates his heir not of money but of Dev. We have to create heirs of Dev. Isn't it? Then only it would do. Otherwise what would happen by developing all these temples? And then it is very difficult to get hold of the next generation. If there is deduction in principle of Maharaj, it would create havoc and destruction. We have seen this. Maharaj has clearly stated that, if you violate our directions, we would have nothing to do with you. This is a red signal. There is a sentence of Maharaj that be benevolent and be kind and be successful. Maharaj knows that we would not remain so calm. Maharaj knows all. If Maharaj comes here, condition of so many people would be worsened. And therefore it is necessary to stress upon being kind.

There was a talk about getting more production in less space. Now the time has come to leave the city and doing occupation in the village including agriculture. At last this will happen. We should not abandon our tradition or custom. What shall we give if our vessels are empty? We have to give such an atmosphere wherein Nistha towards Bhagwan is increased among the youngsters. Earlier also I have said that many people can make a building of ten floors but who can make a family? This is a family of Shree Narnarayandev and we are proud for it. How many temples have been made in Desh Videsh! There is serenity and peace in each of these temples. While performing Pradakshina we have seen many devotees sleeping peacefully. They were sleeping because they felt peace there in our temple premises. Many people cannot get sleep even having air conditioner in their houses. They spend the whole night

## SHREE SWAMINARAYAN

worrying as to what will happen during this Corona period. One sentence of H.H. Shri Mota Maharaj is vividly remembered in our heart that we should not worry about anything. Whether Satsang is increased or decreased, everything happens as per wish of Narnarayandev. These are words of Maharaj. Everybody knows what has been written in the pious 'Shiksha Patri' and yet why do we perform regular Path everyday as per the directions of Maharaj. Why? We do so because it does not slip out of our mind. We come out of here and we forget everything and therefore it is necessary. We are lions and we should feel proud in it. People get tired of looking at the laughter and smile on our face. This devotee Dipakbhai is our trustee and yet he sits beside a common devotee and takes his meals. This Dahyakaka of Kaliyana started the campaign for Dharmada for the first time and had also undertaken campaign for increasing membership of our 'Shree Swaminarayan' monthly magazine. Nowadays mobile has increased. However, its use should be made using discretion, it is should be put to good use. By keeping Maharaj in front of us, we would take a great big leap.

Devotees have also come from Kutch. Our Satsang is one and the same. We are tied by one string. There are problems at every place and we are enjoying and credit for the same goes to Shree Narnarayandev. While standing on the threshold of inner temple of Dev, Maharaj has made announcement that, there is no any difference between us. This is not anywhere else that idol image has been invoked while embracing by Maharaj Himself. Changes have been made at other places but here Acharya Maharaj has not allowed any changes. Whosoever may be Acharya in both Desh, number of Shloka has not changed 213 from 212. It is enough if we can complete reading of 212 Shlokas. Many people may ask as to when to offer Dharmado? Maharaj has left nothing in making clarification and therefore we should do as has been directed by Maharaj. I believe that we should talk anything light or casually. All work is done with all perfection and this work is of Dev. This

Bapu of Godhavi – only one family has preserved Satsang of whole village.

It is said that today it is our birthday. When Dwij adopts Janoi (holy thread) it is said to have his second birth. According to me real birth is said to be when this Bhagwan is received, recognized and our Nistha is stabilized. These young devotees wearing yellow t-shirt (Yuvak Mandal) has prepared beautiful logo of our temple and Narnarayandev. So change the colour of your t-shirt. Why should we remain poor? Many people make separate crowd and start granting blessings. Their pockets are empty! There is no balance and then cheque is bounced! Those who need the blessings they should directly receive the blessings from this Dev. During Parv Utsav all of you are host devotee. Nobody is guest devotee. This Dev is ours. You are of this Dev and so we are yours. If you have offered this Dev to your children, believe that you have given them everything. Money would be transferred automatically. Moreover, if son is well-educated and having good Samskaras, there is no need to hoard money for him. Moreover, if son is not on the right path then also money cannot be given to him and this is the saying of a prudent man.

village. Once Shree Hari graced Mehsana village coming from Bamanva village. Brahmin devotee Shri Kalshiba was an ardent devotee of Shree Hari. History of Kalshibai is such that Bhudar Mehta of Nardipur used to visit Kumbh Mela for divine Darshan regularly and being very much pleased Shree Hari granted him divine Darshan and blessings that Gangaji and K u m b h i.e. Kalashkunvar would take birth in his house. This Gangaba means Gangaba of Jetalpur and her sister Kalashkunvarba who later on came to be known as Kalshiba. This Kalshiba used to warmly welcome Shree Hari, saints and Parshads at her house and used to perform Pooja of Shree Hari. Saints had also obtained pleasure of Shree Hari by singing Kirtans in sweet voice. It was an evening time. At that time Kalshibai offered raw material to prepare Khichdi for Shree Hari and the saints and also offered a bowl full of Ghee. Thereafter, Shree Hari got Khichdi prepared from Mukundvarni. Maharaj used half of Ghee for Khichdi and half of Ghee was used in the vegetables and all relished Khichdi and vegetables. All the saints and horse-riders and others were offered the meals, and there was sufficient meals left in the utensils. The remaining meals were covered with lead in utensils and all slept at night.

In the morning Shree Hari and saints-Parshads prepared themselves for their onward journey. At that time old woman Kalshibai told them not to keep the wastage of

food prepared. Immediately Maharaj asked all the saints and Parshads to sit and accept the remaining meals. The saints and Parshads were hesitated as they had not taken bath and had not performed Nitya Pooja. At that time Maharaj told them that this is a habit of the body. Our soul has no any such habit or restriction and directed them to accept the meals and all of them accepted meals of Khichdi and vegetables of the last night. Thereafter, Shreeji Maharaj, saints and Parshads went to another village.

In this way Shree Hari fulfilled the wishes of Kalshiba and granted her benefit of divine Darshan Shree Hari has graced the house of Kalshiba three times and Kalshiba had performed Satsang while moving around in the nearby villages. Sadguru Nishkulanand Swami has written in Kadi-11 of Prakaran-64 of 'Bhakta Chintamani' Granth about Shree Hari in

Mehsana:

તિયાં જમાડયા બ્રાહ્મણ ઘણા, કરી મોદક  
મિસરિતણા ॥

ત્યાંથી ગયા ઉઝે મહેસાણે,  
તિયાંજનને જમાડયા પરાણે ॥૧૧॥

And names of Bhaktas and devotees of Mehsana have also been referred to by Sadguru Nishkulanand Swami in Kadi-55 Prakaran-119 of 'Bhakta Chintamani' Granth as under:

નરસંઘ ભક્ત ભાવસાર, મુલચંદ એ જન  
ઉદાર ॥

દ્વિજ ભક્ત છે કશલીબાઈ, એહાદિ જન  
મેસાણામાં ॥૫૫॥

In this way whenever Shree Hari used to grace village Mahesana, His ardent devotees used to render their devout services and would obtain pleasure of Shree Hari. In this way Shree Hari has destroyed Adharma from the pious land of Mehsana village and established Dharma and granted divine happiness to the devotees.

**(Compilation : Kotak Varsha Natvarlal -

Just like Bhagwat Geeta there is Uddhav Geeta. In Uddhav Geeta Uddhavji asks certain questions to Bhagwan. In fact, this is in order to impart knowledge. Uddhavji was Sarthi of chariot of Shree Krishna Bhagwan and he had rendered his ardent services but did not demand anything in return. So once Bhagwan called Uddhavji and told him that so many people have demanded innumerable things and boons from him and he has blessed them all with such boons and things and so now he (Uddhavji) may also ask anything. But Uddhavji did not demand anything. But wished for clarifying his doubts. Uddhavji asked Bhagwan Shree Krishna, "There seems difference to me between preaching you deliver to the world and actions you do in the practical world. I want its solution. So it was the question of Uddhavji that the battle war of Mahabharath happened due to one game which we call gambling. Due to this gambling the whole family was destroyed and the whole universe had to suffer. You were omniscient and you were knowing the past, the present and the future. And your conduct was not like the concept of friendship which you defined, why? Pandavas were your friends and they had complete faith in you... then what is the definition of a real friend? One who is

always there with us during our hard or tough time and who prevents us from going towards the wrong path. Then why you did not prevent Pandavas from going towards the wrong path. If you would have wished you could have prevented it. You were knowing everything then why you did not prevent them? Why you did not remain towards the side of Yudhishthir at the time of this game. Why you did not change the outcome of the game? Why you did not come till Yudhishthira lose his State and he bet even Draupadi? Why you came only when Draupadi became desperate?

Bhagwan replied that, there are rules for each thing. A human being is guided and controlled on this earth by his own Karma and I see them as a witness, as an onlooker. Every person is independent for doing his own Karma. But he is not independent to get the result of Karmas. All are tied with the rules of this universe.

Then Uddhavji asked in that case you will come only when there would be a crisis and when you would be called for? Can't you come before. Does a friend come only when he is called? Shree Krishna Bhagwan replied that people had prayed to me that I should not enter in the hall till I am called. They were confident that they would play and win without calling me. And they tied me with their prayer. It was their illusion that they would win. Otherwise I was ready. Bhagwan also told about the reason for the defeat. Lack of humility. A person who is humble wins in the end. Duryodhan was humble at the time of playing the gamble. He did not have the knowledge about the dice. And so he took the help of his uncle Shakuni.

## SHREE SWAMINARAYAN

Yudhisthir would have also took my help and would have invited me to play on their behalf if he would have wished. And if I and Shakuni would have been playing, who would have won? But I was asked to remain outside the hall. When a layer of ignorance comes in the life a human being, he forgets.

Uddhavji told that that means people keep on committing sins and you simply watch them. Bhagwan told him to understand the hidden meaning behind what he was telling. "Whatever you do, do under the protection of Parmatma." That means one has to do everything while remaining under the directions. One has to think for a while, whether what I am doing is right or wrong. But due to layer of Moh, a person forgets that Bhagwan while sitting inside us sees everything and awakens when misery comes. When Draupadi was about to be left with no clothes, she used all her power and capacity and when nothing happened ardently called and awakened Bhagwan. The meaning is that destruction starts of a human being when there comes ignorance and lack of knowledge in his life. There is no problem if everything is done under the protection of Bhagwan while completely relying upon Bhagwan. So we have to cherish Maharaj in our heart for twenty four hours, then we would be able to overcome any difficulty or obstacle. When we use our own discretion, we get lost in the worldliness of this world. When knowledge comes in us, no any wrong action is done by us. Children do not do any mischief in the presence of their parents because they know that their parents would scold them. Similarly we forget the One who is sitting inside all of us. We forget that, this is not proper for us. We commit certain wrongs despite knowing it. Why does it happen? It happens because a person does not accept Doshas of his own temperament. If we look inside, Kroadh, Maan, Maya, Lobh everything is there inside us and we know it also. But a person hides all such things.

Nobody likes to be exposed. All our powers are used to hide such Doshas. Sometimes we become very much angry from inside, but outwardly we make all efforts to remain calm. If all such powers are used to hide and retain Bhagwan in our heart, all works would be done. You can cheat yourself but One sitting inside Your heart sees everything. So many years are passed. Does this come out! The meaning is that, we have to learn to accept Doshas of our temperament. We cannot narrate our Doshas just thinking that what others are thinking. But it's okay if you cannot tell it to others but you can certainly tell all this to Bhagwan.... You can pray to Maharaj and honestly accept and acknowledge your Doshas in front of Him and ardently seek His assistance in coming out of such Doshas. If you beg pardon with folded hands, Bhagwan would change your luck. How benevolent is Maharaj! If you become innocent like a child, all your works would be done. Life should be transparent. If your life would be transparent, you would sleep peacefully at night. You will feel such a strong serenity that the upheaval of the outside world would not disturb you. So there should not be any cunningness in our dealings. Maharaj should be kept with us and in front of us in all our actions then nothing wrong would happen.
