SHREE SWAMINARAYAN

# અસ્મદીયમ્

In the scriptures, being pleased with Sharanagat Bhakkti, Parabrahma Parmatma grants the stage of Atyantik Moksh very easily to even a common man which is obtained through Navadha Bhakti by others. Among nine types of tools of Bhakti, Kirtan Bhakti – performing Smaran of Bhagwan – comes at number two. Just as Shravan – listening is easy for all because no any art or effort is required and therefore Shravan Bhakti is the first. However, in Kirtan Bhakti some effort is required to be made. It is essential to utter the name of Bhagwan from the mouth. To describe Charitra and to describe the message and preaching of Parmeshwar are Kirtan Bhakti. When such Kirtan Bhakti is performed in the pious company of Bhagwan Shree Narnarayandev as a part of celebration of Parv Mahotsav, its importance is increased a lot. Akhand Shadakshari Dhoon was performed day and night by thousands of saints and devotees and Haribhaktas from 18/09/2021 to 26/09/2021 in the Sabha Mandap of Prasadi of Shreeji Maharaj. It was felt and experiences as if Bhagwan Shree Swaminarayan was present in the Sabha. Let's pray at the lotus like feet of Bhagwan Shree Narnarayandev that such a wonderful divine experience may be experienced and felt in our hearts as this is the only and the best means of Bhakti with us all.

# Sabarmati

- Sadhu Purushottamdas (Jetalpurdham)

Maharshi Kashyapi started austere Tapascharya in the forest of Abu mountain for the welfare of the world. He continued his Tapascharya without any food or water for thousands of years in order to please Devadhidev Sada Shiv. Shiv-Parvati being pleased granted divine Darshan and offered the great Rishi blessings and boon as per his wish.

Kashyapi opened his eyes, performed divine Darshan of the divine deities and ardently requested with folded hands to grant Gangaji to him flowing from the head of Shivji and blessings and boon were given saying Ganga – capable of wash off all sins would start flowing from here and it would be known as Krutvati in Satya Yuga, Girikarnika in Treta Yuga, Chandana (Dev) in Dwapar Yuga and Sabarmati in Kali Yuga. From Arbudachal till Sagar-Sangam all rivers, places of pilgrimage, Kedar Kshetra, Pritru Tirth, Prayag, Madhav Vateshwar, Ganga Dwar, Ganga Sagar, Saptdharak Satalaj, Brahmasar, Kund, Naimisharanya Kshetra etc. shall reside in Sabar Ganga. This Sagargamani Sabarmati would be very much dear to Pitrus and capable of granting multiple time result, best in offering Pinda-Daan. Nilkant Tirth, Rudra Tirth, Rudra Mahalay Tirth, Param Pavini Mandakini etc. all Tirth and rivers shall reside in

Sabarmati in expressed or unexpressed form. And Brahma Tirth, Dhrut Tirth, Mitra Patt, Vajinath, Kshipra, Mahakal Tirth, Haridwar emanated from Ganga, Omkar Tirth, Narmada river shall reside in Sabarmati in all four Yugas. Sthanak of Brahma etc. deities, Sthanak of Saptarshi, Sthanak of Dharmdev shall remain in Pratyaksh Roop. Moreover Pitri Tirth Kaveri river, Kapilajal Amarkantak Tirth, Sangam of Vatraki river shall reside here in Sabarmati. Even Brihaspati is not capable of describing the complete importance of Sabarmati.

Kashyap is my dear devotee and so I have offered pious Ganga – and I shall reside on the bank of Sabar with different names. With these words Shivji observed silence and Parvati Parmeshwar returned to Kailash.

Gangaji – Sabarmati emerged from Tapobhumi of Kashyapi and pious rivers merged with it and the places of pilgrimage became Dharmaranya and Dharmatirth and its stories are described in detail by Ved Vyasji in Puranas including Kathas of Rishi and Raja and its importance has been narrated a lot. Here we are referring to some of these Sthapak Sangam of it.

Sabarmati emerged from Nadikund Tirth in Arbudachal and passed through Kapal Mochan Kund which is very much

dear to Munis and wherein Dev, Naag, Gandhar, Kinnar, Rishi-Muni etc. reside and which is famous as Gyandata. From there it pierces down through the mountain rocks and transforms into huge reservoir and subsequently it was distributed in seven Dharas. Wherein main dhara Sabar, second Sweta, third Bakula, fourth Hiranyamayi, fifth Hastmati, sixth Vetravati, seventh Bhadravati and from there it is known as Saptostota. The dispersed six dharas merged again to main Sabarmati.

From there it reaches to Shwetodbhav Tirth and there one performing divine Darshan of Mahakakeshwar get Sadlok. From there it is present in Gantirth Chandra Sangam where Shivganas come to perform Snan on every pious day of Poonam of every month. From there Bakuleshwar Tirth where one gets Riddi-Siddhi while performing Poojan of Ganesh Sthanak. From there it reaches Paleshwar Tirth where Chandidevi Yogmaya Pith are invoked. From there on the bank of Sabarmati Maharshi Kashyap-Vashisth-Vamdev-Gautam-Maitrey-Dharmdev and Dadhichi have performed Tapasya wherein Tapasya of Dharmdev and Dadhichi have been praised in Trilok. On both the sides of the bank of river Sabarmati, large number Sabar i.e. deer used to reside and therefore it was named Sabarmati and it came down as Abhrapati i.e. Akash Ganga and this name Abrapati was subsequently got changed and known as Sabarmati. Length of Sabarmati river is 371 kilometers. Ashram and main places of Kashyap etc. Saptarshis are situated on the bank of river Sabarmati.

During Aadi Satyuga Dharm-Murti had performed Tapascharya for twelve thousand years on the bank of river Sabarmati and its story has been narrated earlier in the article of Dharmaranya. Today Ahmedabad city is known as Shreepur or Karnavati in the scriptures. In Shrimad Padma Puran, Bhagwan Vyasji has given detailed information about Ashrams of Rishi Munis situated on the bank of river Sabarmati from its starting point.

While describing the importance of Sabarmati Sadashiv has told Parvatiji that, at Dharmatirth situated near Hiranya Sangam river Sabarmati and Dharmavati meet each other and a person performing Snan there is benefitted a lot and gets Mukti and Bhakti through Nishchay. A person performing divine Darshan of Dharmdev Sthapit Tirth gets Punya and place in Vishnudham getting rid of Shok and Pitru-Rin if one performs Shraadh Karma at this place. Dharmaranya Kshetra where Bhagwan Narnarayan has performed Tapascharya, where Dharmdev and Bhaktimata has performed Tapascharya and where Bhagwan Shree Narnarayan performed Pragatya is known as Narayanghat Tirth. For the protection of this Tirth situated on the river Sabarmati Aadi Acharya Shri Ayodhyaprasadji Maharaj has invoked Kastbhanjandev and with the directions of H.H. Shri Mota Maharaj Shri Tejendraprasadji Maharaj Sadguru Gavaiya Swami Keshavjivandasji has got constructed a temple with five great domes. A Smruti Sthan of previous Aksharnivasi Acharyas of Shree Narnarayandev Gadi has been developed at the bank of Narayanghat. Divine Darshan of Last Smritis of Acharya tradition in Sampradaya can be performed only here at Narayanghat.

A person performing divine Darshan of this Smriti Tirth gets blessings of Ishtadev Shree Swaminarayan Bhagwan and all his wishes are fulfilled.

Shreeji Maharaj Himself has described the importance of Sabarmati and Narayanghat. Detailed description has been given in Satsangijivan and Satsangibhushan.

About 999 Tirth are situated on the bank of river Sabarmati whose importance has been described in Padmapuran. Some of these Tirth Sthan are Madhura Tirth, Kambu Tirth, Kapishwar Tirth, Saptadhar, Deveshwar, Brahmavalli, Vrush Tirth, Khand Tirth, Angameshwar Tirth, Rudramahalaya Tirth, Khadag Tirth, Chintrahavadan Tirth, Chandreshwar

## SHREE SWAMINARAYAN

Tirth, Jambu Tirth, Dhavaleshwar Tirth, Balark Tirth, Dugdeshwar Tirth which is known as Dudeshwar where Dadhichi Rishi had performed Tapascharya and had offered Asthi of his body to the deities and at this place there is Chandreshwar Mahadev where Chandrabhaga river meets. Here Chandradev had performed Tapa for long time. Here Nimbark Tirth is also situated. Siddha Kshetra, Som Tirth, Gau Tirth, Kusheshwar Tirth, Vaidyanath Tirth, Agnipaleshwar Tirth, Vikirna Tirth, Shwetodbhav Tirth, Gana Tirth, Bakuleshwar Tirth situated on Sthamba of Bakul river where Ganpatiji performed austere Tapascharya and obtained the name Ganadhipati. Kapal Kund Tirth etc. so many Tirth are situated from Uttar to Dakshin bank and only a few of them have been referred to here from Padma Purana.

Pradurbhav of our Ishtadev Shree Swaminarayan Bhagwan was performed through Dharma Pita and Bhakti Mata (Narayanghat Tirth) in Dharmaranya Kshetra on the bank of Sabarmati river in Aadi Satya Yuga and therefore importance of Sabarganga was increased and earlier Bhagwan Bholanath had granted blessings and boon to Maharshi Kashyap that Paratpar Parabrahma Purna Purushottam would incarnate as Yugal Swaroop Narnarayan. Our Parv Utsav of Shree Narnarayan Bhagwan is coming in near future so we should perform divine Darshan of Smriti Sthan of all previous Acharyas of Dharmkul and Dharma Pita and Bhakti Mata and also of Shree Narnarayan Bhagwan in Narayanghat Tirth.

After leaving home from Ayodhya Shree Hari was performing Van Vicharan as Nilkanthvarni to many places of pilgrimage, forests and mountains and rivers and graced Shreenagar Ahmedabad in Vikram Samvat 1855 (1800 A.D.).

When Nilkanthvarni came to the bank of Kankaria lake, the beauty of Kankariya lake was enormous. Nilkanthvarni performed Snan in the lake and performed Nitya Vidhi. People of the city came to know about the arrival of Balyogi Mahatapasvi and so religious and devout persons came to perform divine Darshan of Shree Nilkanthvarni. All people performed Namaskar and sat in front of Shree Hari. Shree Nilkanthvarni preached them sermons of Dharma and Moksha by which all Mumukshus got serene peace of mind. Gradually the news spread like anything and people started thronged together to perform divine Darshan. Shree Hari used to satisfy them divinely through preaching and also used to grant Darshan of divine miracles. Devotees used to bring all types of dry fruits, sweets, Shreefal etc. and offer to Shree Hari. Some of these offerings were offered to the deities and remaining Prasad was being distributed among all the devotees. People were surprised to observe this divine gesture of Shree Nilkanthvarni.

During that time disciples of Ramanand Swami who were residing in Ahmedabad also came to perform divine Darshan of Shree Hari. Just by performing divine Darshan of Shree Hari their minds

used to get attracted towards divine Swaroop of Shree Nilkanthvarni. On each and every day during the stay at Kankaria lake, Shree Nilkanthvarni used to perform Snan in Kankaria lake and to conduct small Dharmasabha and preach the sermon:

“During Aadi Satyuga there was Ashram of Dharmdev at this place on the bank of the river. Here Dharmadev and Murtidevi performed Tapafor thousands of years and obtained blessings and pleasure of Bhagwan and through them Nar, Narayan, Hari and Krishna incarnated from that place only. And therefore this Sabarganga and its bank are very ancient and pious Tirth Kshetra. Due to Pragatya of Shree Narayan, this side of the bank came to be known as Narayanghat.

200 years ago Shree Sahajanand Swami Maharaj Himself has invoked Shree Nar and Shree Nararayan who have incarnated at Naranghat in Shreenagar and Badrikashram for devotees only, in Shree Swaminarayan temple in Shreenagar. Two hundred years are going to be completed and our Parv Mahotsav is going to be celebrated on this divine occasion. In fact it is knocking at the door of Ahmedabad. Padyatra, Akhand Dhoon, Nitya Katha are being organized continuously in each and every temple of our Sampradaya as a part of celebration of this Parv Mahotsav.

The reason for Parv may be very minute but its objective is very large and why not? Shree Swaminarayan Bhagwan Himself is present in divine Swaroop of Shree Narnarayan.

“Subjects of senses may got rid of over a period of time but these senses never get rid of as it can be done only through divine Darshan of Parmatma.”

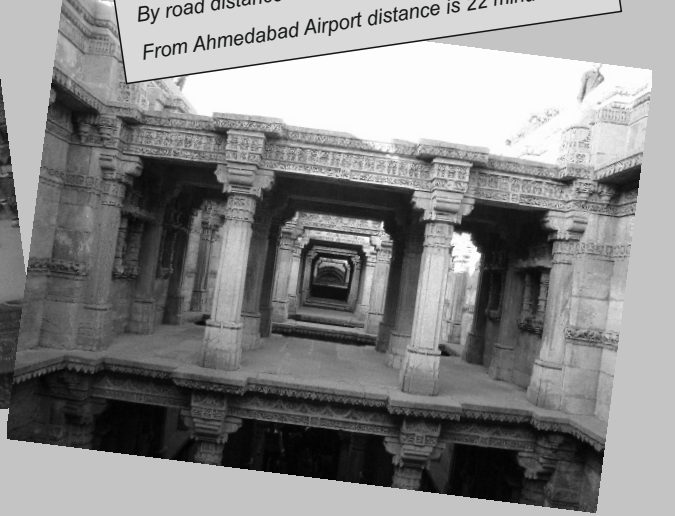

[Shrimad Bhagwat Gita Adhyay-2 (59)]

Divine Darshan of Shree Narnarayan Mahaprabhu is so wonderful that all Sankalp of our heart get subsided! Let us warmly welcome Mahotsav of Shree Narnarayan Bhagwan.

## Villages of Prasadi of Shree Swaminarayan Bhagwan situated near Ahmedabad city

# Adalaj

Compilation by : Praful Kharsani

From Ahmedabad to Kalol there is facility of S.T. Bus  
And from there one can go to Adalaj  
By road distance from Ahmedabad is 34 minute  
From Ahmedabad Airport distance is 22 minutes

Village Adajal is situated just ½ km from Adalaj Bus Station (Road). This village is situated in Tal. Dist. Gandhinagar. Here there is one Hari Mandir facing the East wherein Pat Murti of Shree Sahajanand Swami has been invoked.

Shree Hari has graced this place many times. Wav situated in the village is of Prasadi wherein Shree Hari has performed Snanalongwith Five hundred Paramhamsas. Shree Hanumanji situated in the west direction of the village is also of Prasadi.

Soil of this village has been sanctified by Shree Hari. Shree Hari has graced this village alongwith five hundred Paramhamsas and

has performed Snan and thereby importance of Wav has been increased much. While performing Vicharan in DandhavyaDesh and going to village Ola, Shree Hari used to grace this village many times.

Incident of Shree Hari performing Snan in Wav of Adalaj has been described as under in Tarang-48 of Shree GhanshyamLeelamrit Sagar Granth:

**ચોપાઇ રાગ :**

જમી ત્યાંથી કર્યું વિચરણ, અડાલજે અશરણ શરણ ॥  
ત્યાંની વાવ જોઈ અભિરામ, રાજી થયા દેખી રૂડું કામ ॥૭૥॥  
લેખ લખ્યો છે પથ્થરમાય, વિચારીને વાંચી જોયો ત્યાંય ॥  
વાવ્યકરનો જેહ શુદ્ધ ભાવ, જાણી બોલ્યા નટવર નાવ ॥૮૥॥  
જેણે કર્યું હંમેશાં આમાં કામ, તે સર્વે પામશે મોક્ષ ધામ ॥  
એમ કેને કર્યું છે ત્યાં સ્નાન, નિજ પાર્ષદ સાથે તે સ્થાન ॥૯૥॥  
પ્રેમ વડે કર્યું જલપાન ॥ વિચર્યા ત્યાં થકી ભગવાન ॥  
શ્રીનગર પો આ સુંદર શ્યામ ॥ ચોકસી હિરાચંદને ધામ ॥૧૦૥॥

Thus by performing Snan in Wav of Adalaj and by reading the small article inscribed on the stone, Shreeji Maharaj has granted divine happiness of Akshardham to all those who have worked for this Wav.

### **Shree Hari in Adalaj :**

While walking on the road from village Unava, Shree Hari graced Wav. Beautiful pictures were carved out in this Wav as each of its step was carved out with beautiful pictures in it. There was serene pure water in it and the birds were chirping around.

Shree Hari came down from the horse and entered this Wav accompanied by His ardent devotees. Shree Hari washed both his legs and hands and drank sweet water offered in a beautiful vessel by Mukundanandvarni. Shree Hari played a joyous trick of wearing Vastra of Payjama which was enjoyed by all and there Shree Hari stayed nearby overnight with devotees. Many people from the village came to perform divine Darshan of Shree Hari at the place. The devotees took their seat in the Sabha wherein saints were also there. Shree Hari preached them the way of Kalyan and the devotees were surprised to listen the noble talks from Shree Hari. Many people adopted Niyam from Shree Hari and became ardent devotees and started rendering their devout services as per their capacity. Shree Hari stayed there for a night and resumed the pilgrimage the next day morning

accompanied by the saints and devotees and reached and graced the village Motera.

Shree Hari granted birth in Satsang to the person who constructed this Wav. Once Shreeji Maharaj graced village Adalaj and stayed at the place nearby this Wav and Sadguru Nishkulanand Swami went to Wav and read the article inscribed in the marble stone. After reading this article Nishkulanand Swami came to Maharaj and narrated him what he read. Thereafter, Shreeji Maharaj directed all the saints to perform Snan in the Wav and He Himself also performed Snan in the Wav. After performing Snan, Shreeji Maharaj said that the person who has constructed this Wav will be born in Satsang and all those persons who have been helpful in this noble task, will get emancipation. Thereafter that lady took birth in the house of a Garasiya community family in village Dharmaj situated near Petlad and was named as Kushalkunvarba and her husband was Hemrajsha Vaniya of Sundariyana.

In this way Shreeji Maharaj has graced this village Adalaj alongwith five hundred Paramhamsas and has also graced this Wav which has become historical place which is now developed as a tourist place.

**FROM THE BLESSINGS OF H.H. SHRI  
GADIWALA, ON THE OCCASION OF  
EKADASHI SATSANG SABHA AT  
KALUPUR TEMPLE – HAVELI) 'TO  
MOVE AHEAD TOWARDS AVINASHI  
SUKH (ETERNAL HAPPINESS)  
LEAVING VINASHI SUKH  
(DESTRUCTIVE PLEASURE)'  
(Compilation : Kotak Varsha Natvarlal  
– Ghodasar)**

We have been performing this Satsang. For what purpose do we do it? For happiness we perform Satsang. Jeev seeks happiness only. Everybody in this world is busy for obtaining happiness only. Nobody does it for unhappiness. If somebody commits suicide, he does it to get rid of his unhappiness, miseries, worries and woes. But what is our difficulty? We believe all happiness to be true which we get through this world, this body and through our senses. And we do not realize that this happiness is perishable. Just like worldly things, our body and senses are also perishable. So these perishable things cannot give perennial and eternal happiness. Thus we are living in illusion. Because we are always trying and striving to get happiness from perishable things. But we have to keep our mind cool and calm and think with our own intelligence that something which is ever changing cannot be perennial. So we have to come out of this illusion. Our senses become active for some time. This happens because we are interested in this world and we are cherishing worldly feelings towards it. We like to see, listen, taste and feel. All this is dependent upon our thinking. When do our thoughts start? When we feel sense of I, do we feel peace of mind in our sleep? Why?

Because in our sleep we forget ourselves. When we wake up, we become conscious and our thought process starts and we take actions as per our thoughts. When we get what we want we feel happiness but later on this happiness makes us unhappy. Why? Because we crave to get more than what we get. But everything has its side-effects. Disease is cured of through medicine. Water is life but if we drink more, it creates difficulty. If less water is taken, it also creates difficulty. If we have become very much hungry and we have eaten more then it creates difficulty. So we have to take as much as required by our body. We should learn to develop simplicity in our life. Simplicity is a great virtue which helps a lot in progressing towards perennial happiness in our life. So desire is the root of all unhappiness. Root of desire is ignorance. Lack of knowledge about the self is ignorance. Due to this ignorance, we forget what is our real swaroop? Our real swaroop is Atma. We are eternal. But we have believed our body to be our real Swaroop and so our run is for the happiness of our body and our senses. So we have to cherish thoughts about Bhagwan. We have to think more about Bhagwan. Gradually we would get real knowledge. Similarly, if we observe discipline in our life, we would feel real happiness. And the experience of this real happiness makes us pious and great in our life. It helps us get freedom from all type of captivities. But in order to get this freedom, we have to go through arduous journey. What does a potter do initially while starting to prepare a pot from the lump of clay? He mixes clay and water and prepares a pot and then places it in

## SHREE SWAMINARAYAN

the heating condition. More heating, stronger the pot becomes. Similarly, we have to tolerate many things for reaching upto Bhagwan. If we go through all such difficulties, we would be able to reach upto our goal. One can sail a boat in calm and serene water of the sea, but one is an efficient sailor only when he can sail his boat in stormy sea conditions in the direction against the waves. So we do not have to get disturbed by any condition. Whatever is good and true in life should be accepted. We have to perform Bhakti as a brave person. Nobody is 100% perfect except Bhagwan and everywhere there is mixture of black and white. Our mind is also very unstable like a monkey and would try to make us jump. So we have to become like honeybee in order to fight against our mind and inner enemies. A honeybee goes only to the flower whereas all other types of bee go everywhere. Everybody is scared of a honeybee because it is its nature to bite with a sting. So nobody dares to go close due to fear of a sting. So if we would become like a honeybee, our inner enemies would be afraid of us. If somebody praises us and if we get respect, we like to listen to it. Gradually we get habituated to listen only good things. And when somebody says something wrong or bad about us, we get offended because our ego is not satisfied. We have to abandon this ego of 'I' because we remain engrossed and lost in it. We have to rise above all these things. Our belief that

sensual happiness is our illusion. People watch a movie in a television. It is not real and it is shown on a curtain and yet become unhappy and we laugh also. In fact there is a reflection there. In a corner of our mind we also know it. But despite knowing it, we believe it to be true and become happy or unhappy. Similarly in a mirror we see ourselves but we are not real there in the mirror. We get an illusion through a mirror. Similarly, we listen or see through our senses and we believe it to be true. But what is being shown by our senses is not complete truth, it is partial or limited truth. When we would identify our Atma Swarup our ego about 'I' would be dispersed and we would develop Vairagya. And when complete Vairagya would be developed in our life, we would be able to identify Vitraag Swarup of Parmatma. But we need not worry that much to that extent. We have been performing Satsang and we are on the right path but we have to move ahead with constant consciousness. We do not have to go to the shelter of Bhagwan; we are already under the shelter of Bhagwan. What is required is to awaken complete devotion. We would not be perturbed by Maya because we are under the shelter of Him whom Maya renders her services as Dasi. If we would hold it fast, nothing is going to disturb us because we are sitting in the boat of Moksha. Even if we do not realize anything we have to be careful that we do not have to abandon the boat of Satsang and slowly, slowly we would reach upto our final destination.
