SHREE SWAMINARAYAN

અસ્મદીયમ્

In our Sampradaya Ishtadev Bhagwan Shree Swaminarayan has established the tradition of organizing Samaiya and has prescribed Samaiya of different festivals for different temples wherein thousands of human beings get together and come in contact with one another and perform Samagam which we call Satsang. This Jeev inculcates good qualities and bad qualities depending upon Samagam It gets. If Samagam of Sattvik and noble persons is got, noble qualities would be inculcated and inclination towards Moksha would develop. And if weak Sang is received, one would walk towards the weaker path leading to self-destruction and gets entangled in the vicious cycle of birth-death-re-birth. Jeev gets upliftment with Samagam of Ekantik Bhaktas of Bhagwan during Utsavs related to and meant for Bhagwan. Jeev itself is purified and Chaitanya. But pure and pious Ganga-Jal is evaporated when sprinkled on a heated utensil and if it is sprinkled on a flower plant, it starts shining becoming fragrant and if it is placed in the mouth of a dying person, he gets Moksha and if it is placed in the mouth of a snake, it becomes poison and fatal. Similarly pure Chaitanya Jivatma heads on in the direction as per the company it gets. And therefore during such Samaiya Utsav people get Samagam of Mahapurush and they get upliftment in their lives.

PAHERVESH (DRESS) OF POOJA

In the tradition of our Indian culture, our dress has been determined considering the work-activity- Desh-Sthan-Kaal-Samay-Kriya-Samband-Avasta-Samskar-Varna-Ashram-Sampradaya-Dharma-Diksha-Mantra and to make the opportunity successful or to encourage it, to make it easier and to overcome all the obstacles in the forms of various aspects coming in the way of such a Sankalp Karya merely through Paridhan-Vastra, a great research has been done by our ancestors and Rishi-Munis with their scientific temperament. However, over a period of time, some small and big changes have been made in it. But in our Swadesh Veshbhusha, beauty, piety and Maryada have been taken into consideration. Today we want to talk about VeshPahervesh for Pooja-Satkarmadi as approved by our Rishi Munis wherein some common things are observed in the principles of thirteen different sects and Sampradayas.

Whenever we perform pooja in the morning then we wear Dhoti and Khes because there is a message that, sewed clothes should not be worn during Pooja. If pooja is performed while wearing unsewed clothes, our pooja becomes successful and unsewed clothes have great role in developing and maintaining concentration during Pooja. Various types of obstacles are created if sewed clothes are worn during pooja. Unsewed clothes accelerate encouraging atmosphere just like other rituals of pooja and they contribute in

- Sadhu Purushottamdas
(Jetalpurdham)

obtaining pleasure of Ishtadev. Now this does not mean that sewed clothes should not worn altogether. But when at the time of performing rituals of Devkarma, Pitrukarma, Pooja-archan, Mahapooja, Hom-Havan, Aarti, offering Thaal, Nitya-Naimitik, Shradh karma, Pitru Karma, Snan Karm, Yatra Karm, Daan, Path-Pathan, Purascharan, Katha, Katha, Shastang, Upvit, Lagna, Abhishek, Namkaran, Chaulkarm, Karnvedh, Jathkarma etc. Nitya Naimitik any type of Daiv Karm, Yog, Dhyan, if sewed clothes are worn, one does not get success. Such a tradition and custom is even today that no any person devotee or poojari with sewed clothes is allowed in ancient temples. These rules and customs are found strictly followed in the temples of South India and in Dwadash Jyotirlinga temples and in

Jain temples.

Even today we see that, poojaris of small and big temples do not enter inner temple with sewed clothes. They wear clothes made from only cotton or fur and it has its great impact. In our temples with dome and Hari Mandirs of our Sampradays, Poojaris do not wear sewed clothes and therefore there is tradition of PaherveshVeshbhusha of unsewed clothes for Tyagis in our Sampradaya. It has been directed that, Tyagis should not waste their time meaninglessly without Bhakti of Bhagwan. And therefore, sewed clothes create obstacles in Satkarmas. Shwetambari Jain Sadhu-Sadhvi, Vairagu

SHREE SWAMINARAYAN

Sadhu, Udasi Saints, Shaiv Panthi Sadhu etc. Sadhu Samaj take vow at the time of accepting Diksha not to wear sewed clothes. Bhagwan Shree Rama performed Vicharan in the forest for fourteen years and at that time He abandoned Rajarshi Vesh and adopted Tapas Vesh. And Parabrahma Parmatma Shree Ghanshyam Maharaj started Van-Vicharan from Ayodhya by wearing Tapasvi Vesh. Shree Narnarayan Bhagwan performing tapa in Badrikashram has been wearing clothes made of layers of the wood. Bhagwan Shiv, Hanumanji etc. are also found in Tapasvi Vesh.

Another important things is that, our saints have stated certain scientific reason for not wearing sewed clothes during Satkarmas. When we perform Satkarmas a wonderful spiritual power emerges in our body and this spiritual becomes a medium to connect with Chaitanya Shakti, Aishwarya Shakti, Parabrahma Shakti, Brahma Shakti of Ishtadev and Urja of our Satkarma becomes Krishnarpan Yog in Parmatma. This process is considered to be an opportunity-Utsav- Mahotsav to establish a spiritual relationship with Sadhya (Bhagwan) and Sadhak (Bhakta). Now if sewed clothes are worn during Satkarmas, they create great obstacles and the flow of spiritual energy is wasted and other evil spirits are hovering around awaiting for such an opportunity to grab such strong powers. And at last hard work and labour of Sadhak is wasted and all his money, time and energy are wasted and he is not aware about it.

While Sadhak has been performing above stated Satkarmas then an aura of spiritual power is created around him which can be seen by the people with Yog Samadhi and that spiritual powers remains alive at that place for so many Yugas and therefore Sadhakas feel it at places of pilgrimage even after thousands and lacs of years. And sewed clothes create obstacle in

experiencing this Parabrahma Shakti.

Moreover, Urja lying in Vayu Mandal due to the impact of Tithi-Vaar- Ghadi-Pul- Nakshatra-Yog- Karan-Sthan does not have its desired effect upon our body if we have worn sewed clothes. And this is also one of the basic reasons for not wearing sewed clothes.

Moreover, SattvaguniVastras do encourage Sattvaguni Karmas and it has its positive impact also and it has the power to change the thoughts of the other persons. It becomes comfortable to sit for long time during Yagna Pooja Path by wearing Dhوتي-Khesh whereas one cannot concentrate while wearing tight sewed clothes and one does not get the result of Satkarmas.

While accepting Thaal and while serving the meals to the saints, Shreeji Maharaj used to wear Pitambar. Even today Karmkandi Brahmins wear Pitambar at the time of meals. We should also insist of wearing unsewed clothes at the time of Satkarma like pooja-archan Yagna etc. meant for Bhagwan.

BLESSINGS OF H.H. SHRI ACHARYA MAHARAJ

- Compilation : Gordhanbhai V. Sitapara (Hirawadi, Bapunagar)

On the occasion of 196th Varshik Patotsav of Jetalpurdham 25/03/2022 :

We are lucky that we are sitting in this Sabha Mandap of Prasadi of Dev. G O r d h a n b h a i (Gordhanbhajiranchhodbhai Patel, the host devotee), Bhagwan has blessed you and your family that you have availed the benefit of this divine occasion. I was listening the saints saying that Dev is Mahapratapi and gives us everything including our children. But in Vachanamrit Bhagwan has stated something different. Vachan of Bhagwan is that those who become Aashrit (shall cherish shelter) will be happy and will never be unhappy. Here the word 'Aashrit' is very weighty. But everyday we have been listening these words and therefore the weight and importance of this word is reduced or neglected. What is meant by 'Aashray'? even if you think for a week, you will not get its solution. Isn't it difficult?

One should not approach Dev with expectations. We woke up in the morning from our bed, took a breathe and performed divine Darshan of Dev, isn't it the blessings of Bhagwan? So many times I have said that, a person forgets the things which are in his hands. A persons forgets a key, mobile and goes back to take it because he cannot do without it. One person came to the temple and forgot his wife! This is a real

incident! Then only Bhagwan knows what happened next! We say that, we wake up at this time in the morning. But who wakes us up? It is not in our powers. If it is in our hands, we may forget even breathing. This breathing is granted to us by this Dev. This Dev wakes us up and today we are performing Darshan of Dev and a person can never be free from this obligation. And nothing is else is a greater miracle. So many things are going on in this world. Sometimes it also happens that a branch breaks the moment a bird hovers and sits on it. But Maharaj has clearly told us that My sons do not know to give wealth but They know to grant Kalyan. Don't we read these words in Vachanamrit? Some very few youngsters who are reading Vachanamrit approve affirmatively and most of the elders are approving it by nodding their heads.

The thing is that Bhagwan who grants breathing to all has been sitting upon this throne and we have got His pious company. Maharaj Himself has invoked and offered services and therefore I consider myself very lucky. I consider it as Daya of Bhagwan that We have got an opportunity to touch these idol images and we touch on behalf of all of you. Shree NarnarayandevDeshParivar is our Parivar and we always think about this Parivar

SHREE SWAMINARAYAN

that, this Parivar may always remain happy. However, I do not demand anything like this because Bhagwan is not our worker. It is not the relationship of give and take like barter system. The fact is that Maharaj has granted us a tradition, principles and echoes of Parv are still continuing. And therefore, many people come and say now it is over and so they do not enjoy. Who says it is over? “કોણ કહે છે પતી ગયું ? બ્રહ્માનંદનો વહાલો મારે દાડે દાડે દિવાળી !”

Many elders are seen sitting here. The responsibility of the elders is that, they do not have to inculcate Samskaras in family but they have to provide congenial atmosphere for such noble Samskaras. In nowhere and in any of 212 Shlokas of Shiksha Patri, it has been written to perform Dhyana sitting facing a wall. Rather it begins with not to commit violence. I truly believe that Dharma of becoming human being is real one. It begins with being human. There are so many types of violence. To do mental manipulation in the life of a person is more than violence. So the principle is first to become humane and then to become Satsangi.

This mobile, media everything is interesting. Good morning, good evening, Jay Swaminarayan, Jay Swaminarayan. I have to block everything. People send photos of Bhagwan! Once we were performing Vicharan in America. Somebody sent photos of Bhagwan in the mobile of a 25 years young person Jaimin. And then told him to delete the photos, if he believed in Bhagwan in the mobile. This is a general talk and not on anybody personally. With a view that the youth gets a base, we used technology in Parv through V.R.S. (Virtual Reality Show) and Drone. And with a view that people of the villages can also see and view our programmes, we use GTPL and Youtube even today. We do not want any other TRP reading. The thing is that if we

would be careless in preserving Siddhant and Parampara given by Bhagwan, everything would be zero. It is our great luck that we perform Darshan of Dev. So much of convenience has been created for us that you can perform Darshan while passing by on the road.

Thereafter, while citing the example of Ganga Snan, it was stated that, just as we carry water of pious Ganga at home even after performing Snan in Ganga, we should carry home our Bhagwan in our hearts after performing divine Darshan. It is important to have Gun-Buddhi. It is easy to accept and adopt negativity. What have to do with the quarrels going on in this world? We have to take and accept good from others. We do not know all people because we are not judges. But if we accept the thing simply all our problems will have lasting solution. Recently during Parv or Patotsav, you may have seen that people just rush in the crowd and people meant to maintain law and order create disorder and chaos. One person brought a stick to maintain law and order. I requested him to keep away his stick and we do not want such a law and order. Haribhaktas already know when and where to observe Vivek (self-discipline). The fact is that, the Ministers of the State and the Ministers of the Central Ministry have taken note and they also told across the podium that, the discipline which is found in the devotees of Shree NarnarayandevDesh is not found elsewhere. Somebody trampled my leg in the crowd. Now if we cherish the words of Bhagwan that one should remain in crowd of the devotees, we would not feel it bad and would take it lightly. But if we take action through our words, there would be reaction also.

Recently devotees of Mahizada handed over the papers of the temple to us and I told them that if anybody is going to Kalupur temple, he may be hand over the

SHREE SWAMINARAYAN

paper to the Charity Commissioner. Others should take inspiration from these devotees. Nobody is giving me a temple. We are of Dev and only Dev is trustee. There is future security in it. This is important. If there is security, there would not be photos of others upon the throne. Your forefathers have offered some money and grains it should not be wasted or misplaced and therefore I believe in unity. Otherwise a way head with these papers is a thorny crown. Who invites so many difficulties onto themselves? Had we demanded any money during Parv? All of you have offered with your wish and desire and pleasure and we have returned it and we have enjoyed it together. And there has not been a single complaint. When you keep clear the titles of the papers of your house, land and farm then should not it be with the papers of the temple also? If we offer to Dev what is of Dev, it is our benefit only. Public Trust Act, 1950 would be implemented and I do not go in detail on this subject. One cannot become of Dev simply by displaying the board. Recently I was sitting with a senior counsel of the Supreme Court and he was telling me that if he would place a display board of KalupurNarnarayandev outside his house and get the booklets and receipts printed, he would be the accused of cheating and forgery. And so the papers should be clear. There is nothing wrong or any type of theft in it. Devotees who open Gallapeti after Rajbhog Aarti on the pious day of Baras, they keep the key with themselves only. The key is not kept in the temple. Here also this is the method. Nowhere there is such a transparency.

All of you may remain

devotees of Devand we are automatically yours! All of you are lucky that, saints and Bhaktas get together and perform Bhajan, Bhakti and Dhoon for many years. Rameshbhai (RameshbhaiPrahlabdbhai Patel – the chief host of Parv Mahotsav who has been appointed as vice President of UmiyadhamUnjha trust) congratulations! However, I have been and have performed Darshan.

द्रष्टुवा शिवालयादीनि देवागाराणि वर्त्मनि ।

प्रणम्यं तानि तद्देवदर्शनं कार्यमादरात् ॥

We should perform Darshan to Shivalaya etc. but we should feel proud for whatever we have got and for that even chest of 56 inch should feel short of. This Shree Narnarayandev sitting on this throne have made us wealthy. It is an humble prayer that, may this Dev make all of you happy and healthy.

Villages of Prasadi of Shree Swaminarayan Bhagwan situated near Ahmedabad city

OLA

Compilation by : Praful Kharsani

- From Ahmedabad Kalupur temple by road 01 hour
- From Ahmedabad airport 45 minutes

This village is situated in Kalol Taluka of Mehsana district. Here there is Hari Mandir. Here Pat Murti of Shree Hari swinging in Hindola has been invoked. Here there is a banyan tree of Prasadi where Shree Hari had conducted Sabha and had narrated Bodh. This banyan tree is situated at the eastern outskirts of the village. There is a Chhatri in the middle of the village where Charnarvind has been invoked and Shree Hanumanji has been invoked. Whenever Shree Hari used to grace the village Ola, ardent devotee Ratanbai had performed ritual of Ponkhda. House of the devotee Ratanbai is a place of Prasadi and it is situated beside the temple. There is a well and a lake of Prasadi outside the village. Shree Hari has performed Snan so many times at this place. Even today the water of the well is sweet and drinkable.

Shree Hari in Ola : Once Shree Hari was performing Vicharan in Dandhavya Desh accompanied by the saints, Brahmcharis, Parshads and Haribhaktas coming from village Zulasan. This incident has been described as under in U.Tarang 69 of 'Shree Ghanshyam Leelamrit Sagar':

ત્યાંથી ગામ ઓળે ગયા શ્યામ ॥

ભક્ત રાજુ થયા અભિરામ ॥

નરોત્તમજી સિધરદાસ ॥

રત્નભાણે સેવા કરી તાસ ॥૧૯॥

પછે ત્યાં થકી શ્રી નરવીર ॥

ધમાસણે ગામ ગયા ધીર ॥

(“શ્રી ઘનશ્યામ લીલામૃત સાગર” ઉ.તરંગ ૬૯)

Once Purna Purushottam Bhagwan Shree Swaminarayan was performing Vicharan in Dandhavy Desh accompanied by the saints, Parshads and Haribhaktas and arrived to village Ola from Pansar village. Knowing that Shree Hari is going to grace the village, devotees Vastabhai, Avichalbhai etc. decorated the streets and main road of the village with Asopalav leaves and other decorative colourful flags. Thereafter, ardent devotee Ratanbai warmly welcomed Shree Hari with Akshat, Chandan, Kumkum, flowers and garlands. Thereafter, Shree Hari graced the house of Ratanbai alongwith saints, Parshads and Haribhaktas. Devote Shri Kakubhai, Kashidas Vitthalbhai, Jivanbhai and Thobhan Suthar rendered their devout services at the house of devotee Ratanbai.

Arrival of Shree Hari to Ola from Karjisan : Aksharadhipati Purna

SHREE SWAMINARAYAN

Purshottam Bhagwan Shree Swaminarayan started the journey from Karjisan to Ola during the rainy days of the monsoon season. Shree Hari Himself was riding the cart making Mukundvarni sit in the cart. As there was much mud and said on the way, the bullocks could not carry the cart. And Shree Hari abandoned the cart and started walking accompanied by Mukundvarni. They arrived at village Old at night and stood in front of the house of devotee Ratanbai. The house was closed as all had slept. After some time Mukund Brahmchari knocked the door and woke up Ratanbai. Ratanbai woke up suddenly and opened the door and cleaned the house and offered clean water to Maharaj and Mukund Varni to clean their legs. Thereafter, they entered the house and a beautiful seat was offered to sit. Mukund Brahmchari performed Snan and started preparing the meals for Shree Hari. After the meals were got ready Thaal was prepared and offered to Shree Hari.

With the blessings of Shree Hari, ardent devotee Ratanbai looked up in Chidakash through divine vision and got Darshan of Golokdham. She had divine Darshan of Bhagwan Shree Swaminarayan and Radhikaji to the left side. To the right side she performed divine Darshan of Dharmdev and Bhaktimata. Being very much pleased, Ratanbai started performing Stuti. She addressed Bhagwan and said, “Hey Prabhu! You have been fulfilling the desires and wishes of all the devotees. Meanwhile Shree Hari heard somebody crying. Upon inquiry, Ratanbai told Maharaj that an old person has died in her family and the woman has been crying due to this. Shree Hari told Ratanbai that she should have told about the incident as Satak was prevailing in the house. And both of them had accepted the meals in her house which they would not have due to Satak. At this, Ratanbai told Maharaj that how can Satak affect such a man who has been purified and sanctified with the utterance of the name of Shree Hari? And Yet the words

uttered by Maharaj to her about performing Prayaschit by both of them are true and correct according to the scriptures. In this way Shree Hari Mahaprobhu smiled and slept. In the next day morning, Shree Hari and Mukund Varni got up early, performed daily chores and Pooja Path and started the onward journey in the cart of Ratanbai from Adalaj towards Panchal Desh.

Aksharadhipati Purna Purushottam Bhagwan Shree Swaminarayan graced village Ola and preached the Gyanopdesch related to Dharma to the devotees and accepted the ardent services of the devotees and fulfilled their desires and wishes. List of the names of devotees of village Ola has been stated as under by Sadguru Nishkulanand Swami in Prakaran-119 of Bhakta Chintamani Granth:

કલાબી ભક્ત ગંગાદાસ કહીએ,
નરોત્તમ વાસણજી લહીએ ॥૯૧॥
ભક્ત ઠાકુજીને કાશીદાસ,
શીઘરદાસનો ઓળામાં વાસ ॥
રૂડાં ભક્ત છે બાઘ રતન,
એહ રહે ઓળે હરિજન ॥૧૦॥

In this way, the land of the village Ola has been sanctified by vicharan of Shree Hari, saints, Brahmcharis and Parshads.

**(FROM THE BLESSINGS OF H.H. SHRI GADIWALA ON THE OCCASION OF SATSANG SABHA OF EKADASHI (KALUPUR TEMPLE HAVELI) "WE SHOULD HAIL BHAGWAN AT THE TIME OF PERFORMING DARSHAN":
(Compilation : Kotak Varsha Natvarlal – Ghodasar)**

We go to the temple to perform Darshan. Why do we go? We go because we feel serenity and peace of mind and therefore we go. This is fine but we have to remember that we have to express our gratitude when we perform Darshan of Bhagwan. If you think for a while, you will see that so many difficulties and obstacles have come in our life and Maharaj has saved us from all such obstacles and difficult time. There may be thousands of miseries which have not reached to us due to blessings of Maharaj. And for that everyday when we perform Darshan of Bhagwan, we should express our sincere gratitude. We minutely observe while performing Darshan and see which types of Vagha and garlands are offered. This we do during Shangaar Darshan and it is necessary also. This ensures our Kalyan. And when Bhagwan offers convenience and facilities in our life we can easily perform Bhakti. This is due to the blessings of Bhagwan. When a feeling is emerged from within to perform Bhakti, we should understand that, it's special blessings of Bhagwan and for that we should express our gratitude towards Bhagwan. What does happen then? Noble and good thoughts emerge in our minds. We develop Sadbuddhi and we get power and energy to perform noble deeds. We also develop an understanding how to do noble things. Nowadays it is very easy to do noble deeds. You can offer meals,

clothes, medicines. But in 90% of the cases, people start the person performing such good deeds and most of the people do it in order to earn name and fame and to show others what good and noble deeds he did. And you do not become happy when others do better than you. When others do better than us, sometimes we feel jealous. In short, we do not become happy, seeing others happy – this should not happen. Power would be received to understand all these things. All these scriptures have been written. Before how many years, they have been written and we listen to and read these scriptures. There is a reference in the scriptures of removing our Durgunas. So we should think over it and see whether is there any change or we are at the same place and position and state of mind. Nowadays facilities and amenities have increased a lot. There is home, car, bungalow – all these things have increased but our happiness should also increase! Our elders and forefathers had no such facilities and amenities but there was a streak of happiness and satisfaction upon their faces. So we should think, whether do we have the happiness which they had? During the earlier times, there were not so many schools nor there were so many teachers and at present there are so many facilities. And yet we have to inculcate Samskaras (noble qualities) in the students. Even in the temple, Bal-Shibir, Balika-Shibir have to be organized and then only a few can be educated. During the earlier times 50% people were uneducated and if 'Ba' (grandmother) and 'Dada' (grandfather) are much older, they were more uneducated or completely uneducated and then also Shraddha, Nistha towards Bhagwan Samskara all were deeply associated with them and this

SHREE SWAMINARAYAN

used to be inherited by the next generation automatically. This does not mean that one should not study. One must study. And the girls must study more. But besides studies, Samskaras should also be inculcated. In stead, it so happens that, after studying, people start questioning the scriptures and Bhagwan and disputes and controversies are created. It is at this time that the scriptures are required. At present court, hospital etc. have increased a lot. Why? The reason for this is that, proportion of the quarrels and diseases has increased among the people. Similarly, one falls sick to 'Atmarog' he needs the scriptures. The scriptures have been written for today's time. It is the need of the time that, the scriptures are much used today. Many a times, a discussion is held that temples have increased a lot; the scriptures have increased a lot. So many Satsang Sabhas are being conducted then no any Paapkarma should occur. Now if we think that, now when so many hospitals have come up, no any disease should occur. How is it possible? Is it possible? Quarrels have been increasing and so are the diseases. The laws are becoming stricter day by day. And yet then also people are doing wrong. Why? Because they are not afraid of anything or anybody. When any new rule is introduced, people follow it due to fear but the human nature is very strange and complex. Only when a person learns to surrender, he improves and for that Satsang and temple and all these things are essential. The scriptures are put to use and minds are to be filled up with good thoughts then only wealth would increase. All this is possible with Satsang only. In the hospitals, ailing sick bodies are cured of. In temples ailing sick minds are cured of. In order to cure the disease of the mind and Atma, Antardrasti has to be developed by sitting in front of Murti. Through the medium of Satsang a person learns to admit his mistakes. With the blessings of Bhagwan only this Satsang is received in life. One has to climb up the stairs of the temple.

Many people simply stop coming to the temple. Many people get out of the long queues and cherish Abhav towards Satsang. This happens because Maharaj does not want to offer Bhakti. So we are very much blessed by Shree Narnarayandev that we perform Bhajan for three four hours while sitting in chawk of Shree Narnarayandev. And for that we have to express our gratitude. We become happy if somebody does something good or if somebody saves us and we remember it. So Maharaj grants us one 'Shwas' (breathe) and so everyday we should express our gratitude and our spiritual progress is ensured through this.
