SHREE SWAMINARAYAN

અસ્મદીયમ્

With the blessings of Maharaj we became witness to two Utsav during this pious Ashadh Maas.

One, Maharaj determined Future Guru of ladies devotees, who will offer Diksha to Mumukshu ladies devotees in future. After the wedding of our Future Acharya H.H. Shri 108 ShriVrajendraprasadji Maharaj we celebrated the reception Utsav with great fervor and enthusiasm on 16/07/2024. Innumerable devotees became witness of this incident. For the first time in the history of Shree NarnarayandevDeshGadi of Ahmedabad Desh the grandfather availed the benefit of offering blessings on the occasion of marriage of grandson. All of us were overwhelmed by performing divine Darshan of three generations in this reception ceremony.

Secondly, this time pious day of Guru Purnima was on Sunday and therefore large number of devotees and Haribhaktas thronged together in chawk of Shree Narnarayandev to avail the benefit of blessings of Three Other Forms of Shree Hari. Shreeji Maharaj has decided our Guru and so we need not to go anywhere else. Maharaj has granted us Guru who is capable of granting us freedom from the clutches of the fear of Kaal and Maya. We may perform and conduct while remaining under our own Dharma as preached by Guru and this is our real Guru Dakshina.

I want to tell here a third thing to all Haribhaktas. Our H.H. Shri Acharya Maharaj has got planted so many trees in our temple. During this monsoon season, each and every devotee of our Sampradaya may plant maximum number of trees (minimum five trees by each) near their house, field and along the roadside and then they should be nurtured. This should be understood as our responsibility.

Maharaj has invoked Shree Narnarayandev and Maharaj has granted us Vachan that He is always present here. We are lucky that we have got human birth and that also in such a satsang. We have such Three Other Forms of Dharmvanshi Acharya with us and so to perform Bhajan-Bhakti in their pious company would make our life meaningful.

Jay Swaminarayan to all the devotees and Haribhaktas.

SHREE SWAMINARAYAN

WEDDING CEREMONY OF H.H. SHRI LALJI MAHARAJ

- Compilation : Gordhanbhai V. Sitapara (Hirawadi, Bapunagar)

Introduction : In this world religious people are found searching for Guru. Some people get influenced by outward appearance and look and popularity. And subsequently they repent for accepting them as Guru. Certain persons believe their Guru to be Bhagwan and remain engaged and busy in person-worship and ultimately they become unhappy. Due to company of such so called Guru who claim to be Bhagwan:

એવા પાપીનો સંગ જેને થાય રે,
તેનો પણ જન્મ એળે જાય રે।
કલ્યાણનું તો રહી જાય

કયાંઈ રે,
સામું પડે મહા દુઃખ માંઈ રે ॥

Bhagwan Shree Swaminarayan has seated himself on His seat for Atyantik Kalyan of devotees and Haribhaktas and has himself offered Guru to both Tyagi-Gruhi. Those who cherish ardent faith in Vachan of Shree Hari enjoy divine pleasure and those who are misled get utter miseries in their lives. Shree Hari has described how our Guru is:

એક બ્રાહ્મણને જાણો ભક્ત અતિ,
વળી કા'વે અમારુ કુળ ।
એને સેવતા સૌ જન તમો,
પામશો સુખ અતુળ ॥

Nowhere we find such a nice tradition of having wife of Acharya as Guru of ladies devotees as we have in our Sampradaya. By following the directions of Shree Hari and with the blessings of Shree Narnarayandev,

SHREE SWAMINARAYAN

The whole arrangement off the whole wedding ceremony was made under the guidance and direct supervision of H.H. Shri Raja. For its preparations, two Haribhaktas and two ladies devotees from each temple had reached there well in advance. On 03/07/2024 H.H. Shri Acharya Maharaj reached Chhapaiya and under His guidance and directions Mahant Swami Sadguru Devprakashdasji off Chhapaiya temple and ardent devotee Shri Karshanbhai Raghvani and devotee Shri Ashwinbhai Shiroya had stayed there in Chhapaiya from 06/07/2024 till 12/07/2024 alongwith MahantShastri Swami Purushottamprakashdasji and Kothari Shastri Swami Narayammunidasji of Kalupur temple. Shree Ganesh Sthapan-Poojan

: In a new hall behind Saint NivasSthapan of Shree Ganeshji was done and Ganesh poojan was performed continuously for three days. In this ritual of Poojan H.H. Shri Lalji Maharaj, DharmkulParivar, sister of H.H. Shri Acharya Maharaj and H.H. ShriSaumya Raja the son of H.H. ShriBindu Raja had remained present.

This pious tradition of Hindu Sanskrutiwas followed in letter and spirit with utmost faith.

SHREE SWAMINARAYAN

great fervor and enthusiasm. There were a number of Grihashrami invited guests in the temple which was decorated with beautiful colourful tiny flags and lightening. There were musical band and fire cracking increasing enthusiasm in this divine ambience. H.H. Shri Lalji Maharaj performed divine Darshan of the deities in the temple and graced the beautifully decorated hall and it was a divine sight to view! Pandits performed chanting of Vedic Mantras and in the pious company of the whole

Dharmkul and family members ritual of Tilak of H.H. Shri Lalji Maharaj was performed.

On this occasion learned Brahmanistha leading saints who had arrived from Ahmedabad, Muli and Bhuj had performed divine Darshan of the deities and conveyed their best wishes to H.H. Shri Lalji Maharaj. The Member of Parliament of this constituency and the Collector as well as D.S.P. etc. political dignitaries and officers had arrived and had conveyed their best wishes on this auspicious occasion.

A grand RajbhogThaal was offered to the deities of the temple with beautiful ornaments and Vagha

The whole Dharmkul and family of Bhaktimata residing in Chhapaiya and in nearby villages were offered various types of sweets for three times and Paheramni was offered during the whole auspicious function.

Enthusiasm and pleasure of Father and son : all Three Other Forms of Shree Hari were inspiring all wearing clothes suitable to the occasion. There has been always natural joy and pleasure in the life of

H.H. Shri Acharya Maharaj and during this occasion there was natural and free laughter and friendly exchange of words between H.H. Shri Acharya Maharaj and H.H. Shri Lalji Maharaj and this was a rare divine moment which cannot be described in any words as this was unique pair of father and son.

માટે સહુ ધર્મકુળ માનજો, સહુ કરજો એની સેવ ।
અન્ય જન જેવા એહ નહિ, એ છે જાણજો મોટા દેવ ॥

JaanPrasthan : In the morning at 8.30 hours on 08/07/2024, Jaan started from Chhapaiya towards Prayagraj in a number of four wheeler vehicles and in four luxury buses. Before years Dharmkul of Dharmadev had come from the village Itar of Dharmadev to Chhapaiya at the residence of Krishna Sharma and wedding ceremony of Dharmadev and Bhaktidevi was performed in Chhapaiya with great fervor and enthusiasm. In order to fulfill the wish of Krishna Sharma, Dharmadev stayed in Chhapaiya. Thereafter Dharmadev had come to Ayodhya and Prayag and there he had met Ramanand Swami – incarnation of

SHREE SWAMINARAYAN

Uddhavji and Ramanand Swami had offered BhagwatiDiksha to Dharmadev and Bhaktidevi. Now H.H. Shri Lalji Maharaj of the same Dharmakul came from Chhapaiya to Prayagraj and so there was abundant pleasure and enthusiasm among all. How can one described the divine occasion and opportunity of being part of Jaan of Future Acharya of Shree Narnarayandev Pitha Sthan and 8th Other Form of Shree Hari! It is to be noted here that...

સાંખ્યયોગી હોઈ બાઈ બાઈ, તેને જાવું નહિ વિવામાઈ

Following this tradition and observing Maryada established by Shree Hari no any Tyagi Saint or Sankhya Yogi ladies devotee was present in Jaan as well as during the ritual of wedding. Not only this no any Grihasthi except relatives off Dharmakul was present.

Wedding ceremony and memories of great history : Beautiful Swagat of Jaan was performed by the in-laws. The grandeur and

divinity of the wedding ritual are only to be imagined as it cannot be explained in any words.

On 25/01/1996 Thursday night when wedding ritual of H.H.Shri Acharya Maharaj was going on at Faijabadat that time of HastaMelap in our Shree Swaminarayan temple, Pethapur at midnight electric aarti kept on ringing for 15 minutes without anybody touching the switch. The villagers were surprised to witness this miracle. When ChaulSamskara ritual of H.H. Shri Lalji Maharaj was going on in Hanumangadhi at Ayodhya, the deities had performed Chandan Pushpa Vrushti whose nectar-like drops had fallen upon me. (at that time half sleeve shirt was worn by me). In the section of ladies, my mother had also experienced the same thing which she had narrated to me later on. This history has been written here with a view that it is a matter of faith and trust that even at the

time of wedding ritual of H.H. Shri Acharya Maharaj the deities must have performed Chandan Pushpa Vrushti. Nobody can comprehend the divine importance of seat of Acharya established by Shree Hari and this is the wedding ritual of our Future Acharya.

In Prayagraj on this pious wedding ceremony occasion the persons who performed divine Darshan of Dharmakul are very

SHREE SWAMINARAYAN

lucky because these are the words of Shree Hari:

શ્રદ્ધા સહિત સેવા કરે સોઈ રે,
વળી રાત્રી થાશે એને જોઈ રે ।
એવા જન જે જે જગમાંય રે,
તેની કરવી મારે સહાય રે ॥
ધન્ય સખી સુંદર વર પરણે રે,
તન મન સોંપી હરિ શરણે રે ।
કામ ક્રોધના જવ તલ બાળ્યા રે,
સંશય શોક સર્વે તિથા ટાળ્યા રે ॥

H.H. Shri Lalji Maharaj has already offered and surrendered His mind, body and money at lotus like feet of Shree Hari for rendering devout service to Satsang and even after this wedding ritual, it is going to remain surrendered to Satsang.

બ્રહ્મા ઉચરે વેદ વચન રે,
જય જયકાર થયો ત્રિભુવન રે
ચારે ફેરા હરિસંગ ફરિયા રે,
નારી જગના જીવનને વરિયા રે.

Wedding ritual was auspiciously and joyously concluded amidst Vedic chantings by Brahmins in the pious presence of Agni. Following the directions of Ishtadev H.H. Shri Lalji Maharaj accepted Diksha of Grihasthashram and all ladies devotees of Ahmedabad Desh got Future H.H. Shri Laxmiswaroop Gadiwala.

Return of Jaan to Chhapaiya : Upon completion of the wedding ritual Jaan returned to Chhapaiya. While entering the temple premises all Tyagi and Grihastha people present there warmly welcomed. Newly wedded couple performed divine Darshan of the deities in the temple alongwith the family members of Dharmakul and obtained the blessings of Ishtadev. When the newly wedded couple bowed down at the feet of parents and grand

parents, all four would have blessed them with the bottom of their utmost with all affection and love.

કહે સુખી રહેજ્યો નરનાર રે, થશે યશ તમારો અપાર રે
What a Tyag of H.H. Shri Vahuji Maharaj that she vowed to remain under AuzalChhatra for the life time and to render services to Satsang. In no other Sampradaya of this world one finds such a great Tyag!

Swagat in Ahmedabad temple : Dharmakul came to Ahmedabad from Chhapaiya and first of all came to Ahmedabad temple for divine Darshan. At that time devotees had made beautiful Rangoli of flowers. From temple till Haveli, a path of fresh fragrant flowers was made by the ladies devotees. Amidst playing of the musical instruments Mahant Swami and trustee devotees warmly welcomed H.H. Shri Lalji Maharaj by offering garland. All Three Other Forms of Shree Hari performed aarti of the deities of the temple. By holding Kalash upon their heads Young Balikas warmly welcomed H.H. Shri Vahuji Maharaj who was accompanied by H.H. Shri Raja. In Haveli all the ladies devotees performed divine Darshan of Three Other Swaroops of Laxmiji.

Satkar Samarambh : On Tuesday on 16/07/2024 in the evening from 5.00 to 8.00 hours wedding reception was organized in Vigyan Bhavan Hall of the Science City campus situated at Ahmedabad. As per Maryada and customs of Sampradaya, grand and beautiful Satkar Samarambh was organized. Under the guidance of H.H. Shri Acharya Maharaj and under the supervision of Mahant Swami of Ahmedabad temple and with the complete guidance and planning of H.H. Shri Laxmiswaroop

decorating the whole premises. There was proper sitting arrangement for saints and devotees. There was a separate section with sitting arrangement for all Three H.H. Shri Laxmiswaroop and other ladies devotees.

The reception ceremony began with H.H. Shri Raja offering a bouquet to H.H. Shri Lalji Maharaj and then H.H. Shri Acharya Maharaj and H.H. Shri Mota Maharaj offered blessings embracing H.H. Shri Raja. This was a memorable moment for Dharmakul as well as for the whole SatsangSamaj.

During the time when I was studying in a college, only two vehicles Ambassador and Fiat were available and this was also to be booked. Nowadays a number of vehicles

are available. I hope all of you understand. Even a peon is having car because it is available in installments. Now a days same is the situation in respect of Guru who are available in quantity.

Second thing, once in Banaras I was sitting in a lobby at the house off my maternal uncle situated in front of KashiVishwanath temple. At that time one Sadhu-Baba was sitting having a fan made of feathers of peacock. He would offer blessings in exchange of the money from the

SHREE SWAMINARAYAN

devotees and visitors of the temple. This is a type of immediate money.

In the second type is through this old story. One Haribhakta of

America cherished an idea. He thought all the time our saints have been performing Katha. Let us invite a learned speaker for the benefit of our temple. The speaker was a normal person. He said that in India booking of my Katha has to be made two months in advance. He said that he does not take even a single money. The devotee was excited and invited him for Katha. After the completion of Katha, the speaker demanded 10,000 dollars. The devotee was surprised and asked for the reason for the money. The speaker said that he does not take anything but this music band has to be paid! There are different packages and you have to decide which package is suitable to you!

Third thing. 50 years ago we had left for Chhapaiya in a special train. It was the wish that, pilgrimage to Chhapaiyadham may be performed in the company of Haribhaktas and saints. At that time, there were no much facilities in the train. The compartment boggy was very old, fans were not running and some of the lights were also not working. It was the summer season of heat and so we all had to suffer a lot. When train stopped at a station during the ongoing journey I thought about having a walk on the platform and to meet the devotees. When I went to them I saw that some of the devotees had changed the train and were sitting in a window seat of the other train. When inquired they said saying Jay Swaminarayan that there were fans and lights functioning in that train. I

asked them to come out of the train because that train would not help us reach at our destination. Once the train would start, they would not be able to come out of the train and they might injure themselves. Three examples are sufficient on this day.

A guru who identifies us Maharaj is real Guru. There are people in this world who keep on changing their Guru just like tooth paste and soap. One Haribhakta comes from America once in two – four months and I have to ask him now who is his guru? He changes Guru after every six months. I do not have to say anything more. It is an humble prayer that blessings of Shree Narnarayandev may pour upon all of us.

H.H. Shri Lalji Maharaj : It is a matter of pride that a large number of devotees and Haribhaktas have come

here today from different and distant villages and cities and also from abroad on this pious day of Guru Purnima in the pious company of Shree Narnarayandev. The

biggest asset of our Shree NarnarayandevDesh is that, all are affectionately connected with one another. We have to preserve unity and strength among ourselves and it is the responsibility of all of us. This will be achieved only when all of us are having and cherishing only one goal. If all of us would develop proper understanding as to how do we obtain our Bhagwan and how we develop our Satsang then mutual love and affection and unity will be preserved permanently.

SHREE SWAMINARAYAN

Bhagwan Swaminarayan has offered us this Satsang through His own example. So it becomes the responsibility of all of us that original principles of Swaminarayan Bhagwan reach upto each and every person and house. Swaminarayan Bhagwan has shown us the easiest way of Moksha. He has explained and taught us the true method of Dharma. Whatever were the complications have been resolved and everything has been made easy and offered to us like a dish of meals. Therefore it is now our responsibility that we may understand and imbibe them in our lives. This is absolutely necessary because a number of persons who mislead us is much more than the persons who really help us to connect ourselves with Bhagwan.

We all may always remain ardent devotees of Bhagwan. the original principles of Swaminarayan Sampradaya and which are contained in Desh Vibhag Lekh and such principles are also explained very well in detail in Vachanamrit are to be imbibed by us and so it is an humble prayer to lotus-like feet of Shree Narnarayandev that our faith and Nistha, Bhajan and Bhakti may keep on increasing day by day.

H.H. Shri Acharya Maharaj : Just now H.H. Shri Mota Maharaj talked about the examples of compartments of train. I liked the incident that people changed the train due to fans. H.H. Shri Mota Maharaj asked them to come down as they were going in wrong direction. If I would have been there in his place, I would have told let them go. It is better not to have such people with us. On the contrary the engine-driver is to be asked to start the train immediately and to join double engine. It does not make any difference whether such people are there with us or not. Maharaj has said that Kusang lying in Satsang is more harmful and so it is better it is not there at all.

Recently P.P. Swami and other saints told about Desh Vibhag Lekh. This is the Constitution of

Sampradaya and Maharaj has told everything in it. And therefore I believe that one thing I do not like at all. I am telling this seriously. Many people come and say that we remain and behave under the directions of Dev and Acharya. Do not remain under our directions. All directions are of Dev. I have told it thousand times that nobody has increased even a single Shloka from the existing two hundred and twelve Shlokas of the pious 'Shiksha Patri'.

Important thing is that, everywhere Maharaj has said it very clearly about the principles of observing Maryada. You will find it in the pious Shiksha Patri, Satsangi Jeevan, Desh Vibhag Lekh, letters of Prasadi and everywhere else in all our scriptures. Still of late people are telling that we are behaving under the directions of Dev and Acharya. I do not understand. Maharaj has said everything. What new do we have to do? everything is covered when we remain ardent devotees of Dev. If we remain ardent devotees of Bhagwan nothing else is greater than that in this world and I honestly and firmly believe in it. The goal should be the one whose ultimate end is Bhagwan.

Today all of you have got together. All devotees had come and attended ceremony of H.H. Shri Lalji Maharaj. This is our Sampradaya and this is our family and therefore all of us get together and there is divine pleasure in it. When any saint or devotee says anything with a voice of an authority, it is their ardent affection towards

SHREE SWAMINARAYAN

our Satsang. Such a thing does not come without ardent affection.

We all are lucky that we are present here upon this pious land where the first brick of Sampradaya has been placed in the pious company of Shree Narnarayandev. We have to remain ardent devotees of Bhagwan. We do not have to do anything else. Everything else is done by Bhagwan.

People are saying Guru.... Guru... Guru... I do not like this anymore. As H.H. Shri Mota Maharaj has said that there have been a number of Gurus nowadays. Whosoever they may be but we have only one Guru i.e. our Shree Narnarayandev. We do not have to go anywhere else because here every iota of the dust of this place is pious and by touching this dust every jeev gets kalia in life and Moksha thereafter. Because they have come to perform divine Darshan of Shree Narnarayandev. This is a fact. This is about importance of this Dev and this is real importance. We are cherish pride in this regard.

Datatreya had 24 Guru. I keep more than 2400 because we need to cherish GunaBuddhi. Otherwise those who wish to become Guru they need to huge maintenance. Great care is required to be taken of each and every person. We cherish utmost love and affection towards all our saints and Haribhaktas. Especially this is Dev and if there would be real tradition and amibence and siddhant then everything else would follow automatically. This ambience, Siddhant and Paksha gives us pride. I can say all this things because this is pride cherished for this Dev. If we remain ardent devotees of Dev then we are not afraid of anybody. We see people moving keeping a gun with them. We have also seen certain Sadhus who are surrounded by such gunmen. Who is going to kill such persons? And being a Sadhu

should one be afraid of death? A person who as performed Tyagthen only Civic Death is left for him. This is the truth and reality. Fearlessness comes only at the lotus-like feet of Bhagwan. I am fearless and I cherish pride. I am not worried even if this body is perished tomorrow because we have the courage to see in the eyes of Bhagwan.

There are saints and Haribhaktas sitting in this premises of Shree Narnarayandev. There are ladies devotees. Many are standing and all of them are cherishing ardent faith and Bhakti and therefore all of them have come here. Here there is no any miracle. We do not do any business. We have Bhagwan in front of us and that's it. I am cherishing courage from my grandmother who used to raise her legs if somebody unworthy would come and try to touch her feet. I have been grown up in such pious atmosphere. Those who come after getting married, be she wife of Acharya Maharaj or Vahuji they come from altogether different atmosphere and yet if they cherish such a pious maturity towards Dev then how can't it come into us? This is a very minute thing which is to be understood. So when we have got Bhagwan in our life we should cherish pride for it. We have to sitting holding our Siddhant very tight. If there is Parampara and if there is Siddhant, there is this world for us. And this thing has to be given to our children. If you will give, your family will be happy.

Keep aside this rope. These devotees are very good and mature. In the pious Shiksha Patri Shreeji Maharaj has tied the rope. All of you may go only after accepting Prasad. It is an humble prayer at lotus-like feet of Shree Narnarayandev that, Maharaj may make all of you and your family very happy.

FROM THE BLESSINGS OF H.H. SHRIGADIWALA (SATSANGSABHA OF EKADASHI IN KALUPURMANDIR-HAVELI) "FROM WHERE DOES PAAPKARMA STARTS?"

(Compilation :

KotakVarshaNatvarlal - Ghodasar):

Today it is Paapmochani Ekadashi. What is Paap? All know that all our bad deeds and Karmas are said to be Paap. If we go into its details then all Tamasi Karmas are being done against Dharma. Certain acts are done going against rules and policy. Even Karmas which are performed with a view to cause harm to others are also known as Paap Karmas. The most important thing is that after doing anything if you feel as to what will happen when others would come to

know about it? Then it should be understood that, it is something wrong being done. So before doing anything, we have to give due care and attention to it. Even the noble deeds like offering 'Daan' should also be done with due care and attention. 'Daan' should be offered to those who are deserving it. It also depends upon how the recipient of our 'Daan' uses the money received by him. You indirectly become responsible of the deeds done by such persons using your 'Daan'. Just take an example for simple understanding. If a Tamasi person purchases a weapon from the money you gave him and then causes injury to some other person by that weapon or kills that person using the weapon then you also become indirectly responsible for the offence committed by that person. That weapon was purchased using your money. Similarly a Rajasi person will use the money given by you for his happiness and pleasure and you will get its Rajasi result. And a Sattvik

Decoration in Haveli for swagat of H.H. Shri Vahuji Maharaj.

person will make good and noble use of the money given by you and so you will get its Sattvik result. So if you offer 'Daan' for 'BhagwatPrapti' you will get 'Bhagwat Prapti' as your gain.

The future of the rain water depends upon where it falls. If it will fall into the ocean, it will become like an ocean. If it will drop into the river, it will

SHREE SWAMINARAYAN

become like the water of the river and if it would drop in a drainage, it would become like the water of drainage line. That means result of 'Daan' and offerings made depends upon its subsequent usage. So think ten times before you do anything. Definition of 'Paap' and 'Punya' changes as per the prevailing situations. To become angry and to speak a lie is also wrong. But to become 'Satyavadi' also creates quarrels. So a truth which is harmful to others should not be uttered. At certain places, it is necessary to become angry because the purpose and objective is benevolent of doing good or better to others.

Let us now understand when Paap Karma starts? It starts when 'BhagwatSmaran' is forgotten. This happens when 'DehBhaav' (consciousness for the self) becomes prominent. This creates 'Mamatva' in this world and all six inner enemies Kaam, Krodh, Lobh, Maan, Matsar, Irshya become prominent and dominant in our lives. We start thinking only in worldly terms. A person starts searching

for happiness in this world and he is never satisfied. Thus, a human being runs and roams after perishable pleasures of life. He craves for all material things and his affection towards such things become intense. Against that, if one seeks shelter at lotus-like feet of Bhagwan, he become pious and humble and cherishes no craving for any worldly thing. What is the real and true way when one comes to know that something wrong has happened? The real and true way is repentance. We have to accept our mistake and to repent for such mistake and then should perform 'Pratigya' not to repeat such a mistake again in life. This 'Pratigya' is absolutely necessary. When repentance is performed whole heartedly and honestly, Bhagwan forgives such a repenting person. Bhagwan is very benevolent and merciful. There is tremendous love and affection like mother in the eyes of Bhagwan. Parmatma cherishes 'ShuddhaPrem' towards all of us. It is selfless and endless love because we are part of

SHREE SWAMINARAYAN

Him. So when Bhagwan punishes us then it is to make us understand certain things. When anything wrong is done by us, we should honestly acknowledge it and should repent it whole heartedly and should take vow not to repeat it again. This will purify our inner self. Our mind will be purified. Our Buddhi will be purified. If we think about worldly things, we would become impure from within. With worldly things in our mind we would cherish pride for 'Roop', 'Dhan', 'Satta', 'Kul', 'Vidwata' and this spoils our self and makes it impure. So we need to control our ideas and thoughts. We need to free ourselves from such bondages of worldly matters then only we shall reach to our goal in life. Controlling our thoughts is like driving a vehicle. When to run with a speed, when to place a brake, when to take a turn, when not to take a turn..... all these things should be learnt well.

All of you have been coming here in this Sabha since long time. What positive change did it bring into your life? Did you get any benefit? Inform and share these things. If any of you have experienced any miracle of Shree Narnarayandev, speak about that miracle. For me this is the biggest miracle that in this pious land, we all coming from different areas are sitting together in this Sabha and are performing Satsang. All of us have come here from our different place, city and village. We all

are very lucky that we have got together here in the pious premises of Shree Narnarayandev and are performing Bhajan and Bhakti together. What else can be more miraculous!
