SHREE SWAMINARAYAN

# અસ્મદીયમ્

Purpose of human life is to achieve Moksha. We believe our body to be everything and we do all activities keeping our body in the centre. But for achieving this Moksha Maharaj has shown us a tougher way and means in Vachanamrit.

We have to cherish constant attention in Swaroop of Bhagwan. And in order to cherish Swaroop of Bhagwan in our mind and heart, we have to keep away our ego. And for doing so we need to perform Satsang. Due to Satsang we become capable of seeing our own demerits and we can see noble and good qualities of other Satsangies and devotees of Bhagwan.

All of us have got this SabhaMandap and this temple which have been graced by Bhagwan Shree Swaminarayan with His Charnarvind. If we perform Dhoon of Dhanuvar Maas early in the morning and honestly remember and cherish Bhagwan and understand the importance of this pious place of Prasadi then we can identify our real self and then only we can identify and achieve ParbrahmaParmatma.

## MAHOL OF JETALPUR

- Sadhu Purushottamprakashdas (Jetalpurddham)

Vadodara, Mumbai, Junagadh, Bhavnagar, Patan and other States. Witnessing her fantastic dance, both of them became very much happy and this 'Mahol' was offered to her in gift.

The art of dance has been preserved in the family of this dancer. These dancers were considered to be a befitting gift on the auspicious occasions of the kings and States. In our Indian culture, even today men are famous for wrestling and women are famous for art of dance all over the world.

In Vikram Samvat 1864 our Ishtadev Shree Swaminarayan Bhagwan had performed non-violent Yagna of 18 dyas and more than 18 thousands Brahmin – Vipras had performed Vishnu Yaag. Sadguru Nishkulanand Swami has written as under in 'Bhakta Chintamani' Granth :

“ધન્ય ધન્ય જેતલપુર ગામ ।

જેને વાલે કર્યું નિજધામ ॥

તેમાં મરે પાપી નરનાર ।

તે પણ ન જાય જમને દ્વાર ॥

તેમાં પરચા આપ્યા વાલે બહુ ।

જાણે છે જન ગામના સહુ ॥

મોટા મોટા કર્યા જ્યાં જગન ।

ખૂટ્યા નહિ ગોળ ધૃત અન્ન ॥

એમાં પરચા આપ્યા પળે પળે ।

તે તો કેમ લખાય કાગળે ॥

Gangama was residing in Jetalpur. Shree Hari used to address her as 'Maa'. Many devotees such as Dayaram Vipra, nanabhai Vipra, Ashjibhai, Jivanda, Gangadas Mukhi, Kakuji Kshatriya, Prabhudas Patel, Shankardas Patel, gaguji Darbar, Punjaji Darbar, Bhavsinh Darbar, Nathoji Darbar, Gagaji Darbar, Revabai,

In the year 1618 A.D. Badshah Jahangir of Delhi came to Ahmedabad and at that time Shahjahan – the son of Jahangir was ruling as Suba of Ahmedabad City. Badshah decided to spend the summer season in Ahmedabad. At that time Dev Sarovar situated very close to Ahmedabad was famous for its natural beauty and pure climate and trees and flowers and fauns. A village namely Jatilpur was situated on the bank of this Sarovar. On the southern bank of Dev Sarovar Badshah Jahangir got constructed a Mahel as per the rules and regulations of Vastu Shastra and Shilpa Shastra in the 16th century. This Mahel was well protected like a citadel and having capacity to accommodate a number of guests with their attendants. During his stay at this beautiful place, Badshah liked it so much that he stayed there for longer period of time and it is said that, he stayed there for about two years.

Once there was birthday of Shahjahan – Suba of Ahmedabad. And so Jahangir had come to Jetalpur Mahol for the celebration of the birthday. Both the uncle and nephew were together. There was a danger residing in Jetalpur and she was renowned for her dance. She was very rich as she used to go for dance performance to different Rajwadas of

## SHREE SWAMINARAYAN

Raibai, Yamunabai etc. Ekantik Bhaktas used to render their devout services to Shree Hari.

In Vishnu Yaag ten thousand Maan Wheat was brought for Bhudev, Bhaktas and for hungry persons. There was great services required to be rendered for grinding wheat to flour. Shreeji Maharaj had made declaration that, those devotees who would render services of grinding one Draun (one big basket) of wheat, he/she would be taken to Akshardham. With this announcement, ladies devotees of Jetalpur and nearby villages thronged together for rendering their services for the purpose. As a result, in no time a mountain-like of heap of wheat flour was ready. At that time a dancer namely Nathi was residing in Jetalpur. She did not want to miss the opportunity of rendering services and so she came to house of Gangama and grind the wheat for the whole night. On the next day she went to Pakshala carrying a big basket of flour. But the ladies present there refused to accept the flour from her. At that time Nathi stood afar and with folded hands she requested Shree Hari to accept her grind flour and accept her services. Bhagwan Shree Swaminarayan accepted her services and she invited Shree Hari to her Mahel.

Parbrahma Bhagwan Shree Swaminarayan accompanied by saints, Varni and Parshads graced her Mahel situated on the bank of Dev Sarovar. Nathi performed Panchang Vandan. With folded hands she acknowledged the supremacy of Shree Hari and humbly requested to accept her offerings of Mahel. Witnessing pious Bhakti of Nathi, Shreeji Maharaj resided in this 'Mahol'. From that day onwards whenever Shree Hari would grace Jetalpur, he used to reside in this Mahol. When Shree Hari would grace the house of Ganga Ma for Thaal, He used to conduct a Sabha under

the tree of Borsali in Fulwadi. On the terrace of this Mahol there was Panchamukhi Shivji and so when Shree Narnarayandev was invoked in Ahmedabad, Shree Hari had invoked Panchmukhi Shivji near Shree Narnarayandev. And Nilkanth Mahadev is present even today in Mahol whom services were being rendered by Shreeji Maharaj.

In Mahol Shreeji Mhari stayed for 368 days an nights. While sitting in the terrance of Mahol, Rotlo of Math of Jivan Bhakta has been relisedh by Shree Hari. There are Amrit Vachan about mahol in Jetalpur Vachanamrit Jetalpur – 1-4-5. In this Mahol Sadguru Brahmahand Swami has narrated Katha if Satsangi Bhushak scripture to Shivram Vipra of Shiyani. Nand saints used to study Sanskrit while residing here. If any saint is diagnosed with any serious disease, he would be sent in Jetalpur for recovery of the health. Once Shree Hari conducted Sabha in Mahol and said as under : સુખ દુઃખ આવે સર્વે ભેળું તેમાં રાખજો સ્થિરમતિ, જાળવીશ મારા જનને વળી કરીશ જતન અતિ, એમ કરતા પંડ પડશે, તો આગળ છે સુખ અતિ ઘણું. જો વ્રત ટેક જો રાખશો, તો ભોગવશો સૌ સહુ તથું ॥ નહિ તો તમે નથિંત રહેજો, કરવું તમારે કાંઈ નથી, જે મળ્યા છે તમને તે પાર છે અક્ષરથી.

In this Mahol of Prasadi innumerable miracles, Utsav, and incidents have been recorded in our Scriptures. And they have been preserved in as is condition. There has been insistence by H.H. Shri Acharya Maharaj of Shree Narnarayandev Desh by way of a tradition that the places of Prasadi should be preserved as they are without making any modifications, changes in them. This Mahol is a wonderful example of this even today.

Sadguru Premanand Swami has created a Kirtan of four Padas which starts with following words: “મહારે મહોલે આવો, હસીને બોલાવો, રે રંગભીના છેલાનંદજના છો જી રાજ”

## BLESSINGS OF THREE OTHER FORMS OF SHREE HARI

- Compilation : Gordhanbhai V. Sitapara  
(Hirawadi, Bapunagar)

**On the occasion of 51-Prakatyotsav of H.H. Shri Acharya Maharaj 24/10/2023 (Vijaya Dashmi), H.H. Shri Mota Maharaj :** Respected saints and dear Satsangi devotees, in our Sampradaya seat of Acharya is the highest seat and its importance and value is so much that it is beyond comprehension.

When I came to the seat at the age of about twenty five years, I used to come to the temple regularly in the evening. Now I am coming in the morning. When I would start from home, my mother would be sitting at the window at first floor waiting for me. The moment I become visible to her, she used to perform Pranam to me. I asked her why she was bowing down to me? I should bow down to her. She replied that, she is not bowing down to me but to this Pagh (red turban).

Second thing I remember is that, my father used to bow down and perform Pranam to Pagh before wearing the Pagh.

In Purushottam Prakash Granth Nishkulanand Swami had sung the importance of this Seat of Acharya in great detail. Even in DeshVibhagLekh Maharaj has embodied importance of this seat of Acharya.

There are versions of DeshVibhagLekh. One is abridged version and another is lengthy and in detail. The bigger has been got written from a single writer by Maharaj. At that time there were no copying machines. Names of the saints who were present at that time have been written at the bottom below that document. There are no individual signature of the saints. There is

another smaller version of Lekh and it with me and replica of that Lekh has also been placed in Museum. In that Lekh there are individual signatures of Nand saints.

Whenever any dispute crops up in Sampradaya, this Lekh is produced in Court as an Exhibit (document-paper produced as an evidence) and Court has accepted it as an exhibit with seal of the Court thereon. Besides this there are other three scriptures – SatsangiJeevan, ShikshaPatri and Vachanamrit – which are also produced in the Court as exhibits.

Once a knight Britisher was a judge. He was very learned and he had made in-depth study of Sampradaya and thereafter he had delivered judgement on the basis of DeshVibhagLekh.

Second thing, when Acharya is changed for example when in my place the present Acharya Maharaj came to the seat of Acharya, name as a trustee is also changed. Isn't it Mode of Succession and this has been referred in the Constitution before the Charity Commissioner. Why the name has been changed? Why this trustee came in my place? In the Charity trust two reasons for the same have been given in writing. One is because of nomination. I have nominated him. And second is DeshVibhagLekh. Even in the Charity trust deed under our scheme administration has to be done as per this DeshVibhagLekh as it is clearly indicated.

Every Satsangi devotee should read this DeshVibhagLekh and small book entitled 'Seat of Dharmvanshi Acharya' written by AksharNivasi devotee Prof.

## SHREE SWAMINARAYAN

Hitendrabhai Patel. This is a Seat of great importance. AcharyaMaharaj has been discharged its duties diligently and he deserves all praise for that.

I just narrate two small things about him. He was very young and was studying in St. Xavier's school. At that time one of his friends Sanjay Soni, who is at present residing in Chicago, used to come regularly to school by applying Chandlo in his forehead. His other friends used to make fun of him. When Sanjaybhai told this to his friend LaljiMaharaj (at that time) ,LaljiMaharaj consoled him by saying that, they will be given befitting reply and treatment.

Second thing is of the time when Prof. Shastri used to visit our house to teach him. One day Shastri sir called me and told me what LaljiMaharaj had told him. When Shastriji was teaching him the lesson ofGandhiji's life, "To pose our second cheek, when somebody slaps us at our one cheek." LaljiMaharaj told that, people learn a lesson when they receive two slaps in response to one slap.

So as per the need of the time, Maharaj has nominated Him because this organization is of Maharaj and he makes appointment. So as per the need of the time, Maharaj brings appropriate person on this Seat of Acharya.

I convey my all best wishes and being very much happy I pray at lotus-like feet of Shree Narnarayandev for his health.

**H.H. Shri Lalji Maharaj :** When so many devotees and saints from almost all the villages of Ahmedabad Desh and even from overseas countries have come here to convey their wishes then P.P. Swami has narrated beautiful thing that from the tender age of eight years Maharaj has been working hard for the nourishment of Sampradaya and its result is in front of our

eyes. Such a grand and great development of Sampradaya all over the world in such a small stint of time and for this AcharyaMaharaj deserves all praise. Similarly, saints and devotees have also been kept together through sense of belongingness. "This Satsangis our Family" has been underlying current and motto of his life.

Today what gift will you all the saints and devotees offer to him. Whatever Sankalp and projects for Satsang which have been cherished by Him are to be fulfilled by us. As all of you know a very big project is going on in Chhapaiya. From Narayan Sarovar till birth place and temple, the whole premises are being renovated. Many devotees have rendered their devout services for it. Still all the saints and devotees present here may perform Sankalpof rendering their services because Chhapaiya is the birth place of Shree SwaminarayanBhagwan. Beginning of Sampradaya is with Chhapaiya. And so Chhapaiya can be considered the biggest place of pilgrimage of our Sampradaya. So it is our recommendation that we may inspire others also residing abroad for rendering services. And this would be considered the befitting birthday gift to AcharyaMaharaj.

Today, we pray at lotus-like feet of ShreejiMaharaj that AcharyaMaharaj may always remain fit and healthy and Shree Narnarayandevmayi grant strength to render services to Satsang.

**H.H. Shri Acharya Maharaj :** When Bapji started talking, I felt that he should stop now because whatever he has been bestowing upon him is nothing else but the very natural result of whatever he has done for Satsang and Sampradaya. Devendrapsadji Maharaj, Vasudevprasadji Maharaj. The whole parental tradition has been very inspiring

## SHREE SWAMINARAYAN

and strengthening.

From different villages and places, devotees have been sending messages and making calls. It is because they all are associated with Dev. Nothing is individual. The result is due to this Pagh. And it is very rightly and appropriately told by MotaMaharaj. One has to obtain eligibility to wear this Pagh and this eligibility is granted by Maharaj. No art or training can help it get it. With the desire and wish of Maharaj one can go ahead and works of Dev can be performed.

A devotee comes from a village and narrates about worries and misery and shares so many things. He does at this place so because this is a place dear to his heart. If even a smallest of our devotee finds solace at this place, it is our greatest achievement this is what I believe in. Nowadays nobody has time to listen to your worries and miseries. They would just nod their head and would go away. Here, saints, devotees listen to others and each other and with the blessings of Bhagwan solution to any problem is found out.

Nobody from where and with whom and how the relations are built up and developed. I consider myself very lucky that I have got such a big spectrum. I know so many people from within. They may be saints, haribhaktas, architects of other fields, doctor, politician or a foreigner. Reason is not individual. This is Dev and life is being lived cherishing only one idea and one goal in life.

LaljiMaharaj has talked about Sankalp of Chhapaiya project. Chhapaiya is Chhapaiya. We have to work as a catalyst. All of you have given your full support and it is our responsibility. And it will be done by the devotees.

Be it the project of Ahmedabad or of any village. All projects are our projects

because Dev is ours. And whatever may be the number of temples or saints or devotees – all of them are ours.

There is a cause and purpose behind anything. In the year 1994 MotaMaharaj had completed 50 years and completed 25 years on the Seat of Acharya. On that occasion Rajat-SurvarnaJayanti celebration was organized and two years prior to that moment, he had moved for 100 days in villages and in overseas countries. He was accompanied by Mota P.P. Swami, Narayanvallabh Swami, HariKrishnaShastri etc. saints. He had been to Muscat also. From the fund raised during this time, the inner temple of Chhapaiya was made of marble stones. So here prominence is of our Dev. There is a Principle of Equity. It is okay if we cannot do anything which may increase the reputation and name and fame of Sampradaya, Satsang and Gadi of Shree Narnarayandev but we must not do anything which may decrease it in any manner whatsoever.

Dev is present in front of us. The world is as it is. Only perspective to look at it needs to be changed. There were demons even in Satyuga. And there are some demons even today. Nothing is changed except the time. This has been narrated in Vachanamrit (Sa.9).

There has been development of Satsang. It has been progressing and it will progress further. I firmly believe in this and I believe in with the strength of Bhagwan. So one should cherish pride and should be brave to face anything.

We have received this Parivar and this is the biggest thing. From here we get warmth. From Haveli we get it. Everybody has difficulties. Even the saints also have. Their disciples sometimes refuse to obey their directions and deny to go to any particular place. If people would have

## SHREE SWAMINARAYAN

schedule as I am having, most of them would get divorce. This tolerance, Tyag, Vairagya are the noble qualities we need to inculcate in our children which is the future generation of tomorrow. The family who inculcates these qualities in their children, does it with great sacrifice and perhaps this is the greatest sacrifice. I have been witnessing this for three generations. Gadiwala has been taking care of children and then only we can go to Kutch. It begins from our home only.

Even your family has been sacrificing a lot. There is simplicity, warmth and affection of devotees that they tolerate me not answering their calls. I am sorry but I cannot give reply because the number has been increasing day by day. Haribhaktas of Dev have been increasing and Haribhaktas are increasing due to Dev.

Recently Siddheshwar Sami told that word 'one' come when we utter the word 'Ekavan'. It is not like entering Van. Definition of Tyag is not remaining in seclusion in the Himalayas. It is to remain in the crowd and to cherish the serenity of Himalaya within ourselves.

There is an incident of a Bava at the time of Van Vicharan of Maharaj. You might be knowing it. During Van Vicharan Maharaj was going from Butolpur to Mataripur. The king of the place was very greedy and so he used to engage Sadhubavas for Suvarna Siddhi. Maharaj removed his Agyan and preached him the way of Moksha. Maharaj stayed there for two months. The king took test of Maharaj and was convinced of Bhagwan and became ardent devotee of Maharaj.

We have to be aware that we should not wait for anybody except Dev. One should not wait even for me. Because even I am His postman and I have been distributing the letters and envelopes from one place to another.

I would not leave this greenery and flowery garden. I would send others in a secluded forest. Now Bapihas given my introduction. I will send others to the forest. You may keep on sending the list to me.

From the next year, bring Lalji Maharaj in Patotsav of our temples. I will definitely come for Patotsav of 25-50 years. Pratistha will also be performed because it is our duty. List in the diary is to be decreased now. I shall go to those places first where I have not gone for the last 10 years. I do not want to see how many devotees are there. Whosoever is the number of devotees, they are Bhakta of Bhagwan.

There is no idea of retirement at 50 years of age. We may give the grace period of two years to Lalji Maharaj. I shall be rendering services from behind the curtain. This is our idea. Everything will be done as per the wish of Shreeji Maharaj.

We have got shelter of Shree Narnarayandev and this we have got right from our cradle. We have always remained His and shall remain His till last breath of life. Only this is to be done. What else is to be done?

All of you have got together and messages have been received from Desh Videsh. May Shree Narnarayandev make all of you happy and you may progress in all walks of your life. Such is our prayer at lotus-like feet of Shree Narnarayandev.

FROM THE BLESSINGS OF H.H.  
SHRIGADIWALA ON THE OCCASION  
OF SATSANGSABHA OF EKADASHI  
(KALUPURMANDIR – HAVELI, "WE  
HAVE TO BECOME LIKE GYANI":  
(Compilation :KotakVarshaNatvarlal –  
Ghodasar)

What more is to be said after hearing so many LeelaCharitra of Maharaj! Do we feel like eating anything after having our meals followed by the desserts? Similarly, after listening to so many Charitra of Bhagwan nothing is struck to our mind to say anything. Those have been rendered services as the host devotee of Parayan they got divine benefit. All availed the divine benefit and I also availed the divine benefit. Got a chance to sit in Yagna.Rajopachar was performed. All of us have been chosen by Bhagwan and therefor all of us are sitting here. Many a times I say this and the reason for this is that in principle we are residing in Bharatkhand and its king is 'Narnarayandev'. And the benefit of sitting in the pious company of Shree Narnarayandev is not available to all. Nothing is greater than this. Such an opportunity is received in Satsang. This is Invitation Card of Bhagwan. when we feel inspired from within and we feel like sitting in Satsang, we should understand that, Bhagwan has remembered us. So whenever such an opportunity and occasions are received in Satsang we should feel obliged and remember our Bhagwan. Because during the time for which we sit in Satsang, we forget every

worldly matter. Everybody has problems and questions in their houses but our these miseries are petty. Because no person is 100% happy. Everybody has some difficulties and miseries. But alongwith our miseries we have our Shree Narnarayandev with us and to that extent we are weighed heavy positively. We are in the world of Maya and so miseries and problems are bound to come in our life but as we have Narnarayandev with us these miseries would not prove hurdle to us. If miseries are in our destiny, Bhagwan would decrease them or give us strength to bear with them. Nowadays people consider themselves equivalent to Bhagwan and they try to become Bhagwan and they perform Leela like Leela of Bhagwan. but it is not Leela, it is a fraud. Maharajhas said in 'ShikshaPatri' that Shree Krishna Bhagwan and incarnations of Bhagwan Shree Krishna are worthy to be performed Dhyana. And idol image of Bhagwan Shree Krishna is worthy to be bowed down in front of (115). Bhagwan is Bhagwan. nobody is like Bhagwan. We are living in the world of Maya and so we should perform Dhyana. We may get swayed away for a while but we should not get disturbed by it. Our will power and spiritual power increases slowly and gradually. Gyan, Buddhi, Vivek all come to us slowly. Due to vairagya we can become Vairagi. For that we have to make our 100% efforts to remain 100% present in Katha. Time of everybody is precious. All of you come here by sparing your precious time and so give your 100% then everything will be accomplished. We get the will power to perform our duties and discharge our liabilities well. What is the difference between Gyani and Agyani? Thinking, pondering, brooding

## SHREE SWAMINARAYAN

and logic and reasoning arise in the mind of a Gyani person. But he remains dispassionate and detached. Whereas attachment and passion are dominant in an Agyani person. So we have to become like Gyani. And Sabha-Satsang etc. are performed for this purpose only. Because such an opportunity is received only once in Choryasi Lac Yoni and so we will not allow it to be wasted. We have got this human birth after 83,99,999 births. Do we have the courage and patience to enter this cycle again? A beautiful line comes in Bhajan of Gangasati:

વીજળીના ચમકારે મોતીડા પરોવી લ્યો

અચાનક અંધારા થાશે રે....

જોત રે જોતામાં દિવસો વીયા રે ગયા,

૨૧૬૦૦ ની કાણ થાશે રે.....

If we look at the figure 21600

scientifically, a human being breathes for 21600 times in a day. With the days passing this figure keeps on decreasing day by day. So we should make the best use of time we have with us. Today all of us enjoyed listening to Charitra of Jatanba. Sankhya Yoga ladies devotees also well explained Pada of Chesta with examples. So now we need not remember them and they will be remembered easily. All of us have got such a golden opportunity of listening to Katha of LeelaCharitra of Bhagwan and so let us relish them and it is an humble prayer at lotus-like feet of Bhagwan that Maharaj may increase will power of all the devotees.
